

Last but not the least, the 9th batch specially thanked our madam Ms. Farzana Lalarukh for the easy access to Trust Bank and for the write up from Aftab Mahmud Khurshid. And, the whole committee was very grateful to the 10th batch for their wonderful contribution to mange the program as well as for its smooth operation.

In preparing this report, I thank the 9th batch volunteers committee membersespecially Arefin, Imran, Saika and Binyta. With their assistance, they saved this story from becoming a dull daily news report.
