Position Vacancy Announcement

The United States Agency for International Development/Bangladesh (USAID) invites applications from Bangladeshi nationals for the position of Project Management Assistant for its Office of Population, Health and Nutrition (OPHN). The Project Management Assistant (PMA) is a member of the Mission Population Health and Nutrition (PHN) Team responsible for procurement, budget, documentation and reporting. The PMA is the main liaison with the Regional Acquisition and Assistance Office, managing all procurement actions. The PMA is also responsible for monitoring the \$400 million PHN budget, including determining the appropriate host country contribution. The PMA is the PHN management information expert, responsible for data collection, analysis and reporting on all aspects of the portfolio.

Required Qualifications:
The applicant should be a Bangladeshi national. The applicant must be able to pass security clearance and health screening for fitness to work. Women and minorities are encouraged to apply. USAID is an equal opportunity employer.

1. **Education:** A college degree (defined as 2 years full-time post-secondary study) in Social Science, Business Science, Accounting, or related area is required.
2. **Language Proficiency:** Excellent communications skills, reading, writing and speaking abilities in Bangla and English required.
3. **Prior Work Experience:** At least five years of progressively responsible experience in development assistance or related work, including procurement and budget, is required. At least two years of experience in data and financial management is required.
4. **Knowledge:** Knowledge of the dynamics of development assistance in Bangladesh, particularly the health sector. Thorough knowledge of budgeting and data management. Understanding of budget cycle, implementing instruments, and planning framework. Thorough knowledge of procurement procedures and related regulations. Good working knowledge of assigned activities, project management, programme planning, budgeting, results reporting, and monitoring and evaluation. Good knowledge of the Government of Bangladesh reporting cycle. Knowledge of government protocol and reporting system. Knowledge of GOB budget system and contribution to development projects. Knowledge of gender and development principles and experience in their application.
5. **Skills and Abilities:** This position requires ability and skill to perform a variety of data research, budgeting, financial monitoring and analysis, procurement, and reporting functions. The position holder must have good organization and management skills. Considerable skill and ability is required, as outlined below as well as specialized knowledge of programming policies, procedures and documentation.

Candidate must be able to: prepare and complete procurement actions, including relevant writing, budget and procedures; coordinate, compile and analyse financial data and use for planning and reporting purposes; use statistical software, spreadsheets, and budget systems; conduct site visits, collect data, interview customers, document findings and organise and present conclusions; work in fast-paced team approach; coordinate smoothly with internal customers and offices to liaise and process actions; communicate effectively in both written and oral forms; produce and present power point and other presentations; provide strategic vision and advice/guidance to Cognizant Technical Officers (CTOs) and staff on procurement and budgeting tasks; manage large quantities of information and data, some of which is sensitive; and manage the process for contracting out goods and services.

Interested applicants must submit a resume along with a recent photograph and a one-page cover letter stating his/her motivation, level of education, relevant experience and other qualifications for this position. Please submit to the Human Resources Section, GPO Box 2593, Ramna, Dhaka-1000, no later than July 02, 2007. Applications received beyond the date specified will not be considered.
