## Government of the People's Republic of Bangladesh

Office of the Project Director  
Air Quality Management Project  
Department of Environment  
Paribesh Bhaban, E/16, Agargaon  
Sher-e-Bangla Nagar, Dhaka-1207

### Request for Expressions of Interest

For Selection of a Senior Level Consultant for a Study  
on CNG Infrastructure in Dhaka City for the Bus Sector  
[Contract Package No. S36 (Group-A)]

- The Department of Environment (DoE) has been implementing the Air Quality Management Project funded by IDA for air quality management of major cities in Bangladesh and intends to apply part of the proceeds of this fund for payment under the contract for a study on CNG infrastructure in Dhaka city for the bus sector.
- The services include -- assess the CNG vehicle needs for Dhaka city; review the current status of the CNG infrastructure in Dhaka; assess the supply and demand side of CNG automotive fuel; assess the constraints and barriers to expansion of CNG infrastructure; review the potential improvement in the CNG infrastructure; ascertain the fuel switching over facilities and quality of CNG conversion; prepare a projection on the requirements of refueling infrastructure for CNG vehicles; and recommend policy options for accelerating growth of CNG vehicles.
- The qualifications and experience required for the assignment:- Bachelors degree in Engineering (Petro-Chemical)/Mechanical or related discipline from a reputed university preferably from BUET. Special preference will be given to candidates having formal training from abroad in energy management and energy issues, 15 years professional experience in energy planning, management and implementation of energy sector strategies, have sufficient knowledge of automotive fuel issues including clean energy, have solid understanding of CNG issues and its techno-economic potentials in the context of Bangladesh, sufficient knowledge of energy economy and clean technology infrastructure, demonstrated experience in analyzing data using modern statistical tools and preparing technical reports, excellent computer skills including experience in analyzing technical data, good communication skills in English, previous consultancy experience in energy sector in a donor aided project will be an added advantage.
- Air Quality Management Project now invites eligible candidates to indicate their interest in providing the services. Interested candidates may send their CV indicating that they are qualified to perform the services.
- The individual consultant will be selected in accordance with the procedures set out in the World Bank Guidelines: Selection and Employment of Consultants by World Bank borrowers, January 1997 (revised September 1997), January 1998 and Public Procurement Regulations-2003 and Public Procurement Procedures issued by the GoB. The duration of the assignment will be four (04) months.
- Interested individual consultants may obtain further information/detailed ToR at the address below from 09.00 to 15.00 hours on weekdays. Expression of interest shall be submitted in sealed envelope, delivered to the address of the undersigned by July 30, 2007 before 16.00 hours and be clearly marked "Expression of Interest for study on CNG infrastructure in Dhaka city for the bus sector." The procuring entity reserves the right to accept or reject all EOIs.
