

Looking for 'Productivity Improvement Expert' for the RMG Sector

Our client is an implementing agency under bilateral agreement specialized in international development cooperation with worldwide operations. In Bangladesh, it is actively involved in improving people's living conditions and prospects on a sustainable basis through undertaking program to promote private sector enterprises in the post MFA regime. In order to take part in the implementation of the program, we are inviting applications from suitable candidates for the position of "Senior RMG Production and Productivity Adviser" based in the Dhaka Project Office. Interested individuals having the following required qualifications and experience may apply:

Education and Working Experience

- Master Degree preferably in Business Studies coupled with specialized education in the area of RMG and textiles
- At least 10 years of proven experience in the RMG industry as Production Manager or equivalent position

Professional Qualification and Proficiency

- Highly familiar with productivity improvement issues, on-site diagnosis, implementation and monitoring
- Excellent knowledge and understanding of current trends and developments in the RMG industry
- Excellent network with reliable contacts to the industry and the key stakeholders and policy makers
- Demonstrable didactic and consultancy and project management skills
- Very good communication and presentation skills with strong ability to interact with groups of stakeholders
- Capable of independent work and taking own initiative
- Working experience in cross-cultural environment and team working skills
- Excellent computer proficiency- MS Office, Internet, etc.
- Proficiency in English both written and oral

Interested candidates who fulfill the above requirements are requested to submit their applications along with detailed CV and recent photograph to the address below by July 22, 2007:

Government of the People's Republic of Bangladesh

Ministry of Power, Energy & Mineral Resources
Power Division
Power Cell

REQUEST FOR EXPRESSION OF INTEREST for RENTAL SERVICES FOR UP TO 300 MW POWER PLANT AND OPERATION & MAINTENANCE SERVICES

The Government of the People's Republic of Bangladesh has decided to procure rental services for gas based power plants with capacity of up to 300 MW and operation and maintenance services on a fast track basis at different locations for about 3 (three) years. These services will be required by February 2008.

Having been authorized by the Government of the People's Republic of Bangladesh, the Power Cell, Power Division, Ministry of Power, Energy and Mineral Resources, now invites eligible service providers to indicate their interest in providing the above-mentioned rental and operation and maintenance services to Bangladesh Power Development Board (BPDB).

Interested service providers should provide information indicating that they are able to perform the services, by submitting to Power Cell, the evidence of international experience of similar type of services, and an indication that the service provider has barge/skid/trailer mounted power plant in ready stock mentioning the current location of the indicated plant. Based on this information, Power Cell will prepare a list of the potential service providers who will be invited to submit proposals in response to detailed terms of services.

The deadline for submission of Expression of Interest shall be July 26, 2007 to the office of the Power Cell mentioned below. The submission shall be by hand delivery or by a courier.
