

# Congratulations

Ericsson would like to congratulate AKTEL for 10 years of bringing superior telecommunications services to the people of Bangladesh.

Ericsson is proud to be a part of your success and we look forward to supporting you for many more years to come.

TAKING YOU FORWARD

## Congratulations AKTEL!

For the pioneering Golden Call Campaign.

The AKTEL Golden Call is a campaign of outstanding innovation never seen before in Bangladesh. It's a campaign that'll spread smiles across millions of faces from all corners of our nation; a campaign that will inject an element of fantasy into every single AKTEL phone call. AKTEL is the first operator to reach out to its consumers with gifts of such great value. On its 10th anniversary, AKTEL's way of celebrating with its consumers has touched us all.

Today, we at HUAWEI re-iterate our pride for having been partners with AKTEL over 10 years of successful operations in Bangladesh. The AKTEL Golden Call is the best way to celebrate a decade of successful service.
