The Rapid Action Battalion (Rab) recovered a powerful bomb, 10 improvised grenades, and bomb-making materials from a mess in the city's Mirpur early yesterday and arrested four suspected JMB operatives.

Major Momtazur Rahman, an explosives expert of the elite crime busters, said the bomb weighing 10 kg could cause huge casualties

within a 25-metre radius of the point of impact.

It could detonate in two ways—three seconds after its pin is pulled out or after some pressure is exerted onto it, he added.

The arrestees—Ishaq Sheikh of Gopalganj, Mohammad Anis of Bogra, Rafiqul Islam of Jamalpur and Khalilur Rahman of Rangpur—have been working at two garment factories in Mirpur.

During preliminary interroga-

A top intelligence official of the Rab said condition of the grenades and the bomb suggests that the improvised devices were ready for immediate use.
