Corrigendum Notice

Tender No-DD-3/01 of 2007-2008

Name of work: A-1: Site Improvement/Site Development for Central Jail for under trial prisoners at Keraniganj under Dhaka District (Block-A1). During the year-2007-2008.
A-2: Site Improvement/Site Development for Central Jail for under trial prisoners at Keraniganj under Dhaka District (Block-A2). During the year-2007-2008.

The following corrigendum has been made due to unavoidable circumstances for the tender notice invited vide Tender No-DD-3/01 of 2007-2008 and circulated vide this office Memo No-T/04(30), date: 31-7-2007 for the above mentioned work.

Clause No	Amendment Particulars
Bill of quantities of SI No-1	To read: Land development works of the low lying areas of Central Jail for under trial prisoners at Keraniganj with earth/sand by truck or dredging or by any other means, loading and unloading at both ends including transportation, dredger (suction or cutter type), including levelling, watering and consolidating, protecting the side slope by constructing dykes or palasiding etc. The filling materials should be free from roots, rubbishes, sods, slushy earth, black soil or any other organic or deleterious materials and the same will be tested from BUET at contractor's own cost. In case of sand, the amount of materials passing US standard 200-sieve (0.075 mm) should not exceed 15% by weight. Also the contractors have to perform compaction test after completion of work the relative density must not less than 0.85. The rates of contract will including cost of supplied earth/sand acquiring/hiring, dredger/machinery/transportation, laying of pipe line, cutting/dredging, carrying/loading/unloading, full compaction, levelling, dressing palasiding protection, dykes, earthen dams etc. and removing slushy earth, weed, water hyacinth, bailing out of water, if necessary and finally levelling dressing the entire area with bull-dozer or chain-dozer or by head load etc. complete as per direction of Engineer-in-charge. The rate should also be inclusive of all Taxes, VAT, Levies all other Govt. excise duties and all other incidental expenses, measurement will be made on the basis of pre-work & post work. Pre-work measurement will be supplied along with the tender document (as per GPS Based Advanced Topographic Survey) and it will be part and parcel of the contract document. Final measurement will be taken after passing of one full rainy season over the completed work.
	Instead of
	Earth filling in foundation trenches and plinth in 150 mm layers with carted earth carried by truck or any other means loading and unloading at both ends including leveling, watering and consolidating, protecting the side slope by constructing dykes or palasiding etc. The filling materials should be free from roots, rubbishes, sods, slushy earth, black soil or any other organic or deleterious materials and the same will be tested from BUET at contractor's own cost. In case of sand, the amount of materials passing US standard 200-sieve (0.075 mm) should not exceed 15% by weight. Also the contractors have to perform compaction test after completion of work the relative density must not less than 0.85. The rates of contract will including cost of supplied earth/sand acquiring/hiring, dredger/machinery/transportation, laying of pipe line, cutting/dredging, carrying/loading/unloading, full compaction, levelling, dressing palasiding protection, dykes, earthen dams etc. and removing slushy earth, weed, water hyacinth, bailing out of water, if necessary and finally levelling dressing the entire area with bull-dozer or chain-dozer or by head load etc. complete as per direction of Engineer-in-charge. (The rate should also be inclusive of all Taxes, VAT, Levies all other Govt. excise duties and all other incidental expenses, measurement will be made on the basis of pre-work & post work. Pre-work measurement will be supplied along with the tender document (as per GPS Based Advanced Topographic Survey) and it will be part and parcel of the contract document. Final measurement will be taken after passing of one full rainy season over the completed work.

Remaining all other terms and conditions will remain unchanged. This corrigendum notice is a part and parcel of the tender documents.
