**Government of the People's Republic of Bangladesh**

Ministry of Environment and Forests  
Bangladesh Forest Research Institute  
Chittagong, Bangladesh

**Invites applications for the following positions: International Forest Certification Consultant (one person)**

Bangladesh Forest Research Institute (BFRI), the Project Executing Agency (PEA) has received grant from the Common Fund for Commodities (CFC) towards the cost of the project "Market Development of Bamboo and Rattan Products with Potential" and intends to apply part of the proceeds of this grant to payment under the contract for the provision of international consultancy services by individual consultant or firms and now invites applications for the **International Forest Certification Consultant**. The project is simultaneously implementing in Bangladesh, Nepal and Myanmar. The duration of the project is 3 years. The project goal is to improve quality, durability, market opportunities and resource base of bamboo and rattan based commodities and their sustainable development in the least developed countries.

The International Forest Certification Consultant will perform the following duties and responsibilities:

- Assess current forest and non-timber forest products (NTFP) certification criteria and indicators and evaluate their relevance to B&R.
- Explore and document the advanced technology/standards/approaches for sustainable management of B&R and review existing criteria for expansion of B&R resources.
- Develop suitable certification criteria and indicator (C&I) for B&R for sustainable management certification (referring to existing C & I for forestry).
- Prepare a development work plan for sustainable production and management of B&R in the forests and homesteads.
- Practical introduction i.e. field testing -- this is important, to test how it can work in practice, and should be done as a learning exercise with the local team of certification system of B&R.
- Train the local team in developing the certification system of B&R.
- Preparation of final report. [Including lessons learned from the field testing].

**Requirements** : MSc in Forest Management or related fields with at a minimum of 15 years successful experience in implementation of forest certification schemes in Asia, associated to a practical knowledge of bamboo and rattan resource development. Excellent communication skills in English, previous relevant professional experience in Nepal or Bangladesh desirable.

**Salary and benefits** : Selected candidate will be provided with an attractive and competitive salary depending on her/his qualification and experience.

**Duration** : 3 months.

**Nature of job** : Provide guidance and facilitate smooth implementation of the project.

**Reporting** : The International Consultant will report IPC about his activities.

**Duty station** : Bangladesh Forest Research Institute, Chittagong. If acceptable, he may be appointed in Nepal also.

**Referees** : Address of two referees preferably present and previous employers who can certify.

**Application** : Application in English along with curriculum vitae should be submitted by e-mail and also by post within 30 September 2007 to the undersign.
