ISPR/Misc/07/1578 Major
GD-2907 For Director General

Government of the People's Republic of Bangladesh
Department of Environment
Office of the Project Director
Air Quality Management Project (AQMP)

Invitation for Expression of Interest (EOI)

Memo No: Paribesh/AQMP/Pilot Program-135(Part-2)/2003/3011 Date: 26-08-2007

- This invitation for expression of interest follows the general procurement notice for this project that appeared in development business, Issue No. 508 of 16th April, 1999.
- The People's Republic of Bangladesh has received a credit (No. 3404-BD) from the International Development Association (IDA) for the Air Quality Management Project (AQMP) and intends to apply part of the proceeds of this credit to payment under a contract to conduct Diesel Engine Maintenance Improvement Clinics (Contract Package # S 09 Group-C).
- The objective of the proposed clinics will be to educate drivers and mechanics on appropriate maintenance practices and to demonstrate the effect of improved maintenance on diesel smoke emission.
- Approximately 300 participants in 10 batches shall be trained from both formal and informal sector.
- The Air Quality Management Project, Department of Environment under Ministry of Environment and Forests, Government of Bangladesh, will be the Executing Agency (EA) for the aforesaid component of the project.
- The Air Quality Management Project invites Expression of Interest (EOI) from reputed organisations/agencies engaged in automobile sector for short-listing to conduct the Diesel Engine Maintenance Improvement Clinic for Chittagong city.

Diesel Engine Maintenance Improvement Clinic (Clinic-3)

7.0 The main scopes of the clinic are as under:

- Improve skills of the trainees on preventive maintenance of vehicles.
- Impart training on maintenance and repair of diesel engine vehicles to reduce exhaust emission.
- Demonstrate measurement of smoke emissions from vehicles (AQMP will provide smoke metres for the purpose), detect faults (liable for smoking), and undertake necessary repair/maintenance of vehicles. The cost of such repair/maintenance shall be born by the agency (excluding major engine overhaul). Also demonstrate exhaust measurement after the repair to ensure that appropriate repair/maintenance is carried out.
- Mobilise trainees in consultation with AQMP.
- The selected agency/organisation shall have appropriate training classroom and workshop facilities including necessary tool and equipment as required for the training and for repair/maintenance of demonstration vehicle (up to satisfaction of AQMP).
- The intended organisations/agencies must have sufficient appropriately qualified and experienced resource persons for imparting the training.
- Review course contents and training materials (used in the previous diesel clinic) and modification of those in consultation with AQMP.

8.0 Required Expertise:

- The intended organisations must have reasonable experience in conducting training courses in automobile related field and shall have appropriately qualified and experienced mechanical engineers and other technical personnel in place.
- The intended diesel clinic shall include the following amongst others:
 - Diesel fuel injection pump test bench (for phasing and calibration);
 - Injection pressure testing devices;
 - Sectioned models as well as dummy models of diesel engines and components for demonstration purposes;
 - Equipment, instruments, tools and workshop-machinery for the maintenance, servicing, repair and overhauling of engines and vehicles;
 - Lifting and hoisting devices;
 - Battery charging equipment, etc.
- Classroom environment and facilities with black/white board and overhead projector etc. and requisite wall charts and drawings.

9.0 In case of joint venture (JV) proposals all dealings by AQMP will be made with the lead partner only. The AQMP will not entertain any claim, whatsoever, in this respect from other partners of the JV.

10.0 Selection will be made in accordance with the procedures set out in the World Bank's guidelines, "Selection and Employment of Consultants by World Bank Borrowers" (January 1997, revised September 1997 and January 1999).

11.0 The expression of interest must include the following information:

- Background with supporting brochures/documents etc.
- Evidences to support experience (experiences only on relevant field will be evaluated).
- List of facilities, equipment tools and workshop-machines to be made available for the purpose of the intended training.
- Summary information related to professional employees with key qualifications.

12.0 The EOI with supporting documents shall be addressed to:
