Journey Through Bangladesh

This page will include events and problems covering all districts of Bangladesh.

Cover Story

Our cover story will focus on varied aspects of the life, thinking, ambitions and introspections of a successful personality. The following will be highlighted
Books that influenced his/her philosophy of life.
Unforgettable films.
The music that haunts him/her.
His/her dreams about Bangladesh in the next ten years.

Behind The Scene

Unknown talents such as artists, small entrepreneurs and people from other professions from different districts will be represented.

She

An exclusive page for women, which will project the problems of professional women and housewives, It will not be a typical page known to all that deals with matters concerning beautification and dress designing.

We feel that a woman contributes immensely to her family and the nation. Unless her household and professional problems are brought to the limelight it

Guru Griho

Existing educational institutions, schools, colleges will be focused. The idea is to highlight the activities of these institutions, the wellknown ones as well the unknown and less known ones that are doing excellent work. It will consist of three parts.

Background of the institution, information regarding its head master/mistress or principal and the students with excellent exam results.
