Renaissance Bangladesh promises need-based service to students

TAYLOR'S UNIVERSITY COLLEGE

Wisdom • Integrity • Excellence

Renaissance Bangladesh (RB), a new generation foreign education counselling & skill development organisation in Bangladesh announces its vision of providing need-based services to students aspiring to get admission in foreign universities. Initially RB is concentrating on promoting Institutions from Australia, United Kingdom, France, Canada, Malaysia and Singapore.

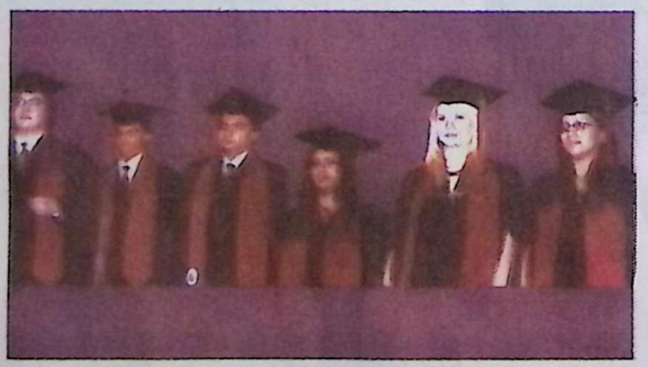

Renaissance Bangladesh also looks forward to extending its business network in the field of Corporate Training & Professional Management; International Human Resource Management; Contemporary Communication Skill Management; Information Technology & its Application in Real Time Correspondence; IELTS & Interactive English Programmes; Corporate English for Professionals and Total Quality Management & ISO Certification Programmes.

RB is pleased to announce that it has obtained recognition as **Official Representative Status** from **Taylor's University & College, Malaysia,** an Institution of Higher Learning with 36 years in operation and associated with esteemed universities from The United Kingdom, Canada, Australia, France and the United States.

RB understands the importance of Information Technology & its Application in the 21st century. That's why **RB** has created and designed a user friendly version Official Website (www.renaissance-edu.com.bd) to answer all the enquiries of the browsers from both home and abroad.

RB is scheduled to host in collaboration with its overseas Principal Partners Spot Admissions during the month of October 2007.

International School Dhaka (ISD) scored above world average

The International School Dhaka's first International Baccalaureate Diploma graduates have scored above the world average. The International Baccalaureate (IB) is the world's premier university entrance qualification accepted in over 85 countries. 21 students achieved the IB Diploma and now have taken up places at universities around the world like McGill University and Carleton University (Canada); University College London (UCL) and University of Sussex (UK); Bard College (NY) and Lafayette College (USA). An average student who is well organised can achieve the IB Diploma at ISD.

East West University relief operation
