AIUB distributed certificates of Basic Computer Training Program

AIUB organised the Basic Computer Training Program for the Bangladesh Police Force and distributed certificates among 35 police officers of different ranks. The three-week long training programme had started on 22nd July and ended on 12th August. The final year students of the Department of Computer Science voluntarily conducted the training programme. The closing ceremony and certificate distribution programme was held at the AIUB auditorium on 13th August 2007. Prof. Dr. Toffazzal Hossain, Pro-Vice Chancellor of AIUB was the chief guest at the programme.

Career Workshop by STEP

Student Employment Project (STEP) organized a daylong workshop titled STEP Workshop on Career Development on August 11, 2007 at Baitul Iqra, Dhanmondi. This workshop consisted of two sessions of which one was on Career Planning and the other one on latest Marketing Trend in the World.

Mr. Shahriar Amin, Brand Manager of Grameen Phone conducted the first session on Marketing Trend and Mr. Quazi M. Ahmed, education specialist and development consultant, conducted the session on career planning.

Sixty participants from different universities as well as corporate houses attended this workshop. At the end of the workshop certificates were given among the participants. Mr. Abdullah M Taher, Chairman & CEO of STEP distributed certificates. Abu Zafar Khan Taposh, Chief Coordinator of STEP hosted and Global Reach, an overseas education consulting firm, sponsored this workshop.
