

A GRAVEYARD FOR RICKSHAWS

THIS dumping yard for illegal rickshaws in Agargaon contains around one and a half thousand rickshaws. The rickshaws were seized during drives by the Dhaka City Corporation and Dhaka Metropolitan Police. Cars are also dumped here. But they can leave the place when their owners get their papers right. On the other hand, rickshaws are left to get bogged down into the ground as in most cases their owners cannot 'afford' to rescue them.
