Lord of War (IMDb rating 7.7)
On Star Movies, September 25 at 09:00pm

Director: Andrew Niccol
Genre: Drama
Nicolas Cage, Bridget Moynahan, Jared Leto, Shake Tukhmanyan
This film charts the rise and fall of Yuri Orlov, from his early days in the early 1980s in Little Odessa, selling guns to mobsters in his local neighbourhood, through to his ascension through the decade of excess and indulgence into the early 90s, where he forms a business partnership with an African warlord and his psychotic son. The film also charts his relationship through the years with his younger brother, his marriage to a famous model, his relentless pursuit by a determined federal agent and his inner demons that sway between his drive for success and the immorality of what he does.

She must travel with her friend Brenda Meeks to a village where civilization is very different.

With time counting down between each abduction and possible death, Rhyme recruits rather-unwilling Amelia Donaghy, haunted by her cop father's suicide and thinking she's next, into working the crime scenes to track down the killer.
