Champion's reaction

UU Bengali IV Champion - Institute of Business Administration

It's been a pleasure being at the UU Bengali IV. IBA has always tried to participate at different debating competitions both at home and abroad. Out of this commitment, IBA participated at this championship and is proud to clinch the title of Bengali IV. Though UUDC is a new member in the debating fraternity, they've put up a gorgeous show. The best part of the entire event was the level of enthusiasm and integrity of UUDC members and UU authority. The hospitality out there was simply awesome. The program might not have got such glory without the detailed supervision of UUDC moderator Mr. Niaz Morshed Chowdhury, who is famous as Shanto Bhai to most of us, debaters. IBA congratulates and thanks UUDC for the successful hosting of 1st Bengali debate competition in worlds format. IBA has been there to promote debating activities and Inshallah will be there, especially with UUDC. (Morshed Ul Arefin Captain, IBA)

UU English IV Champion - Mastermind

When we were asked to come and participate in this tournament, we were told that our role was limited to that of a "Swing" team. On arrival at Uttara University, we found that we were given the breaking status and since then it was a totally different Mastermind who participated at the English IV. It definitely feels good to create an upset and I'd like to thank Mr. Niaz Morshed for giving us the opportunity to participate in this tournament. This was the first national in Bangladesh which followed the WUDC format and this is very important when it comes to universities from Bangladesh participating at the World University Debate Championship each year because practice will make our debaters perfect.
