The Aztec Calendar as seen at the National Museum of Anthropology and History in Mexico City. Considered as one of the most important museums in the world, the institution owns the world's biggest collection of pre-Columbian art distributed in 24 thematic rooms.

Pakistani lawyers help an injured colleague following clashes with police during a march towards the Election Commission office in Islamabad. Pakistani police used batons and teargas to disperse hundreds of lawyers protesting against President Pervez Musharraf's candidacy in next week's presidential election, officials and witnesses said. Several lawyers were injured and around a dozen arrested during the noisy protest outside the Election Commission as Musharraf's nomination papers and those of other candidates were being scrutinised.
