Reference:	BAN/IVD/SSA
Date of Issue:	16 October 2007

Title:	Surveillance Medical Officer – Immunization Vaccine Development (3 positions)
Location:	District Headquarters
Appointment Type:	Special Services Agreement (SSA), Level - 07
Duration:	Up to 31 December 2007 (may be extended)
Closing Date:	14 November 2007

OBJECTIVES OF THE PROGRAMME:
Bangladesh builds capacity for routine immunization activities and surveillance for vaccine preventable diseases. The main challenges are to increase access for safe immunization for all eligible age group, introduce new vaccines, expand Vaccine preventable diseases surveillance and sustain polio free status.

EXPECTED OUTCOMES:
Under the overall supervision of WHO Medical Officer (IVD) and report to WHO Representative to Bangladesh through the supervisor, Surveillance Medical Officer (SMO) will be responsible for each of the following activities:

- To guide for District Health Authorities in planning and implementation of vaccine preventable diseases accelerated control activities as per WHO quality standards and best practices;
- To provide technical assistance for capacity building of Divisional and District Health staff to ensure quality implementation of vaccine preventable diseases control activities;
- To monitor the quality of polio eradication activities including Acute Flaccid Paralysis (AFP) surveillance and National Immunization Days (NIDs) to ensure any importation of wild Polio virus is timely notified and contained and advise on corrective actions;
- To advise to Divisional health staff in establishment of integrated vaccine preventable diseases surveillance activities based on platform of AFP surveillance activities;
- To provide technical assistance in training for District health staff on Routine EPI and vaccine preventable diseases activities to ensure the implementation of the program as per quality standards;
- To develop capacity of district health staff collect timely and completely data on program performance and their analysis to ensure timely correction in the program implementation;
- To guide and assist mid-level managers in the appropriate response to vaccine preventable diseases outbreaks, including further investigation, disease control, and feedback to all levels involved in data collection;
- To guide and provide technical assistance in the education and social mobilization of health, family planning, NGO and lay persons regarding Polio, Measles, Maternal and Neonatal Tetanus (MNT) and other vaccine preventable diseases eradication, elimination, control and surveillance activities;
- To undertake extensive travel, including remote communities, in order to assist EPI in surveillance activities, monitoring, surveys or other EPI activities;
- To work within the norms of WHO regulations maintaining a cooperative relationship with all concerned;
- To be accountable to the WHO Medical Officer-IVD on behalf of WHO Representative;
- To submit monthly activity report to MO-IVD, WHO Bangladesh;
- Perform any other related duties assigned by the Supervisor.

CORE COMPETENCIES:
Communicating in a credible and Effective Way

- Conveys information and opinions in a structured and credible way
- Ensures that messages have been understood and clearly noted
- Keeps other informed of key relevant issues

Producing Results

- Produce high-quality results and workable solutions that meets the objective of the programme
- Takes responsibility for own work
- Sees tasks through to completion

Building and promoting partnerships across the organization and beyond

- Builds and maintains mutually beneficial work relationships and alliances inside and outside the Organization
- Encourages and assists others in building networks to improve results
- Encourages people from different parts of the Organization to work together

SELECTION CRITERIA:

- Medical Graduate from a recognized College/University – MBBS and Post Graduate Degree;
- At least 5 years experience in Public Health or Preventive Medicine;
- Ability to collaborate with different institutions, organizations and personalities from the Government, NGO and private sectors, ability to work independently and creatively, willingness to travel 80% of the time;
- Ability to work in cross-cultural environment and in a team;
- High level of proficiency in English and Bengali;
- Proficient in using computer software applications (MS-Office) to produce reports, prepare correspondences, composing e-mails and create multi-media presentations and working knowledge of descriptive epidemiological data analysis.

CURRENT REMUNERATION:
BDT: 627,840/- per annum plus other admissible allowances.

IMPORTANT INSTRUCTIONS:
Applications should be transmitted in two copies quoting vacancy notice number.
Applicants should submit a brief resume of their relevant experience and other qualifications together with completed Personal History Form (PHF) and give reasons for being suitable of the post. A Personal History Form and detailed vacancy notice can be downloaded from www.who.org or can be obtained from the World Health Organization House No.12, Road No.7, Dhanmondi R/A, Dhaka-1205, Bangladesh. Applicants are advised to send their applications by courier/registered mail to: The WHO Representative, Country Office for Bangladesh, House No.12, Road No.7, Dhanmondi R/A, Dhaka-1205, Bangladesh. A competency test in written and computer software skill will be held for the short listed candidates and only those qualifying candidates in written test will be requested to attend the interview. This vacancy is open to applicants of EITHER SEX. Applications from WOMEN are encouraged. We regret that due to large volume of applications normally received, applications cannot be acknowledged individually.

WHO has a smoke-free environment and does not recruit smokers or other tobacco users
