

The Power of One

One Number. One Identity.

Technology should make life simpler.

That's why we bring to you Citycell ONE, the simplest solution to your communication needs.

You no longer need to be confused in choosing the mobile package that's best for you. Built on the robust CDMA2000 1X platform, ONE offers you the best call quality, the fastest data speeds across the country, and special value added services that enrich your life every day. Be it a Post-Paid or Pre-Paid connection, enjoy the single best tariff in the market with full connectivity at all times.

After all, the best of mobile technology is when you get everything on ONE number. It's simple.

It's Simple.
