## Palli Pragati Prakaipa

Bangladesh Rural Development Board (BRDB)

Palli Bhaban (5th Floor)

5, Karwan Bazar, Dhaka-1215

Ref. PPP/Sec-Mon/Pro-Eva-273/2005/2498 Date: December 11, 2007  
**Request for Expressions of Interest (EOI)**  
**Evaluation of Palli Pragati Prakaipa (2nd Revised)**  
**during the year 2007-2008**

- This request for expressions of interest follow the Public Procurement Regulation 2003 of Bangladesh Government.
- The Bangladesh Rural Development Board (BRDB) under the Ministry of Local Government, Rural Development and Cooperatives (LGRD & C), the largest service oriented institutional setup of the Government of Bangladesh (GOB), is directly engaged in rural development and poverty alleviation activities in Bangladesh. In its provision of services and support, the BRDB seeks to promote self-sufficient, fully sustainable income-generating activities amongst the landless, the rural poor and the marginalized.
- Palli Pragati Prakaipa (2nd Revised) is under implementation by the BRDB during the period of July 2000 to June 2008. The project is being implemented in 477 unions of 476 upazilas of 64 districts in Bangladesh. Major objectives of the project comprises: (1) Comprehensive village development through alleviation of poverty of the rural people and ensuring them an improved quality of life; (2) Empowerment of the rural women in order to enable them to play their due role in all spheres of life; (3) Reduction of rural poor in the project area to 10% of the areas total population; (4) Generate awareness with mindset for increased Human Development Index; (5) Promote IGA (Income Generating Activities) with micro-finance and reduce migration of rural population.
- The expected duration of the consultancy service will be around 12 (twelve) weeks. The key objective of this consultancy is to independently evaluate the overall performances of the Palli Pragati Prakaipa (2nd Revised) during the year 2007-2008 (one year). The evaluation would focus on key performance indicators, in addition to the effectiveness and appropriateness of the project's institutional arrangement, the relevance of its design/components to achieve the project objectives, sustainability, efficiency etc. The consultant is expected to thoroughly examine the overall design of the project and efficiency of the implementation arrangement. The aim is to assess the clarity and feasibility of the project objectives, and the extent to which the project components and activities are achieving those objectives. This will include a review of the current design and implementation arrangements, the assumptions upon which they were based.
- Palli Pragati Prakaipa (2nd Revised) now invites eligible organizations to indicate their interest in providing these services. Interested organizations must provide information indicating that they are qualified to perform these services. The information includes: (a) evidence of legal establishment for at least three years; (b) availability of appropriate skills among the staff; (c) proven track record of at least three years experience on evaluation studies of social and rural poverty issues; (d) copies of completed two reports on evaluation studies related to social development. Interested organization should have track record in working on similar projects. No financial proposal should be submitted at this moment. Only short-listed firms will be contracted.
- Organizations may associate with others either in the form of "Joint Venture" or of a "sub-consultancy" to enhance their capacity, and indicate such status if any, in the Expression of Interest (EOI). In the case of joint venture all members shall sign the contract and shall be jointly and severally liable for the entire assignment and in case of sub-consultancy the lead firm will sign the contract. The associations should have real and well-defined inputs to the assignment to be indicated in the (EOI). The lead organization must have adequate experience in this field.
- Organizations will be selected in accordance with the procedures set out in the Public Procurement Regulation 2003 of Bangladesh Government.
- Interested organizations may obtain further information, if any from the office of the Project Director of Palli Pragati Prakaipa (2nd Revised), at the address given below during 9.00am to 5.00pm on all working days.
- Expressions of interest must be delivered to the address below by 5.00pm on 30th December, 2007.

GD-4577  
SM Kaiser Hossain Mallick  
Deputy Director (Procurement)

Government of the Peoples Republic of Bangladesh  
Ministry of Power Energy & Mineral Resources  
Energy & Mineral Resources Division  
**Strengthening of the Hydrocarbon Unit (Phase-II)**  
BTMC Bhaban (1st Floor), 7-9 Kawan Bazar, Dhaka-1215

**Request for Expression of Interest (Firm)**  
**For Short Listing of Consultancy Services**  
**for Feasibility Study for Setting up a Straddle Plant**  
**(Under Oil/Gas Exploration & Development Activities)**

PACKAGE NO: HCU/CS # 03  
DATE: 09/12/2007

Energy & Mineral Resources Division has been allocated with Grant from the Royal Norwegian Government being administered by the Asian Development Bank (ADB) under the project titled "Gas Transmission and Development Project (GTDPP) [Loan No. 2188/2189-BAN(SF)]" towards the cost of the "Strengthening of the Hydrocarbon Unit in the Energy and Mineral Resources Division (Phase-II)", and intends to apply part of the proceeds of these funds to payments under the contract for the provision of Consultancy Services by a Consulting Firm for "Feasibility Study for Setting up a Straddle Plant" under Consultancy Services available for Oil/Gas Exploration & Development head of the Project.

Energy and Mineral Resources Division the Executing Agency (EA; hereinafter referred to as the 'Employer') now invites Expression of Interests (EOI) from internationally reputed eligible consulting firms, or joint ventures of consulting firms, from ADB's member countries, and listed in ADB's Database of Consulting Firms (DACON), for short listing for the Consultancy Services. The services will be required for a period of 3 months comprising of the following:

- Process Engineer (International) as Project Co-ordinator cum Team Leader (2 Person-Month);
- Financial Analyst (International) as assistant to Project Co-ordinator (1 Person-Month);
- Process Engineer (Local) as assistant to Project Co-ordinator (2 Person-Month)

Total 5 Person-Month

The Terms of Reference (TOR) of the consultant will include following among others:

- Determine both proven and recoverable sources of NGL and estimates of the most likely additional NGL, which may be available as a result of contemporaneous exploration.
- Determine extractable amount of NGL (including ethane) towards preparation of a techno-economic model to determine the feasibility of setting up a Straddle Plant for NGL Extraction including a fractionation plant, which could process NGL from the extraction plant.
- Prepare conceptual design, cost estimates, economic analyses, and opportunity cost comparisons for NGL mix feed ethylene cracker with polyethylene and polypropylene plants.
- Recommend other alternate use of NGL (including aromatics, methanol and derivatives), which may be economically competitive as well as attractive.
- Recommend the best strategic use of the NGL components based on opportunity cost comparison.
- Recommend prices for all products produced considering competing imported products and the potential for export and comment on the economic advantages and disadvantages of applying protective tariff.

Interested eligible firms may obtain additional information from:  
Project Director  
Hydrocarbon Unit  
BTMC Bhaban (1st Floor)  
7-9 Kawan Bazar, Dhaka-1215, Bangladesh.  
Tel no.: (880 2) 8128223, (880 2) 9117794, Fax no.: (880 2) 8128224  
E-mail: hcu@btb.net.bd, hcu\_bd@yahoo.com; Web: www.hcu.org.bd

International competitive bidding will be conducted, and selection will be made in accordance with ADB's Quality- and Cost-Based Selection (QCBS) procedure, following Guidelines on the Use of Consultants by ADB and its Borrowers.

Interested Consulting Firms will be required to provide the following information including their eligibility that they are qualified to perform the services:

- Background of the firm(s) (limited to one page);
- General and overall experience of the firm(s) (limited to one page);
- Summary of similar projects undertaken (limited to three pages);
- Summary of similar projects undertaken in the country or region (limited to three pages);
- Audited financial reports of the firm(s) for the last three years;
- Nature, size, employer, location, and type of input for contracts in hand (limited to three pages); and
- Summary of permanent professional employees with key qualifications (limited to one page).

The EOI with supporting documents must be delivered on or before 11-00hrs (BST) on 13 January 2008, in sealed envelopes, marked with "EOI for Consultancy Services for Feasibility Study for Setting up a Straddle Plant" (Under Oil/Gas Exploration & Development Activities) and be delivered to below address.

Project Director  
Hydrocarbon Unit  
BTMC Bhaban (1st Floor)  
7-9 Kawan Bazar, Dhaka-1215, Bangladesh

In case of any unavoidable circumstances such as strike, civil commotion, Govt. declared holiday, etc. EOIs will be received and opened on the following working day. Late submissions will be rejected. Partial offer will also be rejected. EOI submitted by Fax/E-mail will be rejected. Likewise photocopy of faxed or e-mailed EOI will also be rejected.

Only individual consulting firms are being invited to submit their EOI for short listing. In case the EOI is submitted by a Joint Venture (JV), the capabilities of only the Lead Partner Will be evaluated and only the Lead Partner will be short listed. The Employer will not entertain any claim whatsoever in this respect from other partners of the JV for not short listing their name along with the Lead Partner.

The Request For Proposal (RFP) to submit detailed technical and financial proposal is expected to be issued to the short listed firms in February 2008. The Employer or ADB will not be responsible for any costs or expenses incurred by the firms in connection with the preparation or delivery of the EOI.

This EOI document is also available at Hydrocarbon Unit website [www.hcu.org.bd](http://www.hcu.org.bd), and ADB website [www.adb.org.bd](http://www.adb.org.bd).
