

Senior Finance Officer

with Concern Worldwide Bangladesh

This position, based in our Dhaka head office, provides reliable and timely financial information to the internal budget holders, head office, donors, partners and the government. We are looking for an experienced accountant with a proactive, customer focused approach who will work with our finance team to provide excellent financial management support to our programmes.

Your main role and responsibilities will be to...

- Facilitate the budget preparation process in line with the organization policy.
- Ensure financial statements are regularly prepared and circulated to budget holders.
- Ensure the donors and government receive timely financial reports according to their requirements.
- Organize and facilitate orientation and support on financial policies to partner organisations.

The skills, qualifications and experiences we are looking for...

- Chartered Accountant part qualified (PE-11)
- At least 5 years recent experience of working in a central accounts team
- Experience of working with National NGOs, preferably with International NGOs
- Experience of working with government/local partners
- Excellent verbal and written communication skills (especially English)

Please send a covering letter, stating why you think you are a suitable candidate, together with your CV, a passport sized photo and details of three referees to: Human Resource Department, Concern Worldwide Bangladesh, P.O. Box 650, Dhaka 1000. Please mark the envelope with the position applied for. Any canvassing will result in disqualification.

Last date of application - 30 December 2007

Concern values diversity in the workplace and is a committed equal opportunity employer. We encourage applications from all suitable candidates regardless of gender, race, family or marital status, ethnicity, age, sexual orientation, disability, class, caste or religion.

Agricultural Sector Programme Support, Phase II (ASPS II)
Regional Fisheries and Livestock Development Project (RFLDC)
Noakhali Component

The Regional Fisheries and Livestock Development Project is part of Denmark's Agricultural Sector Programme Support to the Government of Bangladesh. RFLDC seeks to improve the livelihoods of resource poor households in the target areas of Barisal and Noakhali through a highly participatory approach, centered around training through Field Schools, capacity building of Community-based Farmers' Organisations (CBO) and Union Parishad and support to the private sector to enable the CBO to access quality inputs and improved markets. The Component currently runs to June 2012.

RFLDC is now seeking to recruit a range of Technical Assistance (TA) staff for its Technical Support Unit in the Noakhali Component. The positions are supported by the Component Grant Funds and may be for a period of up to five years, subject to satisfactory probation and performance. Attractive salaries and benefits are available. All senior positions will report to the Project Director and the Expatriate Senior Advisor.

The positions available in the Noakhali Technical Support Unit as set out in the Development Project Proforma are listed below. Detailed job descriptions are available in the Project website (www.gnaec.org).

- Training and Extension Manager**
Responsibilities: Develop training curricula (TOT) for project personnel, CBO staff and field trainer (FT) in fisheries/livestock; develop training curricula for beneficiaries through FFS system in fisheries/livestock; organise training and extension methodology; implementation of project programme in the field.
Qualifications: Minimum 2nd class (CGPA 3.00) in Master of Science (M.Sc.) in either Fisheries or Livestock (Veterinary Science/Animal Husbandry) from any recognised university in Bangladesh/abroad. Ph.D in respective field will be preferred. Minimum 10 years experience in organising training and extension programmes in the respective field, with at least 5 years working experience in organising training and extension programmes in any foreign-aided project. Good skill in personnel management, with proficiency in English language.
- Monitoring and Evaluation Manager**
Responsibilities: Monitoring and implementing of project programme; analysing available fieldwork data.
Qualifications: Minimum 2nd class in Master of Science in Economics from any recognised university in Bangladesh/abroad. Minimum 10 years of job experience in any GO/NGO or private enterprise in monitoring and evaluation programmes.
- Administration and Finance Manager**
Responsibilities: Overall administration and financial management of the project.
Qualifications: Minimum 2nd class (CGPA 3.00) in M.Com/MBA from any recognised university of Bangladesh or abroad. Minimum 10 years of experience in any government/NGOs or private enterprise in administration and financial management or 5 years experience in any foreign-aided project with CACC.
- Senior Livestock Specialist**
Responsibilities: Organise the livestock programme in the field; implementation of the project programme in close association with the Training and Extension Manager.
Qualifications: Minimum 2nd class (CGPA 3.00) degree in Animal Husbandry or Veterinary Science from any recognised university in Bangladesh/abroad. Minimum 10 years of job experience in any government/NGO with at least 3-5 years of field experience in any foreign-aided project.
- Private Sector Specialist**
Responsibilities: Developing linkages with the corporate private sector and the development programme. Organise support system programme for further development.
Qualifications: Minimum 2nd class (CGPA 3.00) Masters degree in Economics/Sociology/Biological Science/Commerce/equivalent field from any recognised university in Bangladesh/abroad. Minimum 10 years experience in any public or private sector organisation/agribusiness. Experience in fisheries/livestock will be preferred.
- Community Management Specialist**
Responsibilities: Develop CBOs/Farmers' Associations for the project programme.
Qualifications: Minimum 2nd class (CGPA 3.00) Masters' degree in Arts/Science/Commerce from any recognised university in Bangladesh/abroad. Minimum 10 years experience involved in government, NGOs, especially in community development programmes.
- Aquaculture and Fisheries Coordinator**
Responsibilities: Develop the fisheries and aquaculture development programme as per project; implementation of the project programme in close association with the Training and Extension Manager.
Qualifications: Minimum 2nd class (CGPA 3.00) Master of Science in Fisheries/Zoology from any recognised university in Bangladesh/abroad. Minimum 10 years of job experience in fisheries/aquaculture in a government/NGO with at least 5 years in a foreign-aided project.
- District Coordinators (4 positions: Feni, Hatiya, Laxmipur and Noakhali)**
Responsibilities: Implementation of field activities; supervision and monitoring of the activities of the Upazila Coordinators, maintaining close contact with the fisheries/livestock experts for organising training and extension.
Qualifications: Minimum 2nd class (CGPA 3.00) degree in fisheries/livestock (Animal Husbandry and Veterinary Science) from any recognised university in Bangladesh/abroad. Minimum 5-7 years of job experience in government/NGO. 2-3 years of job experience in any foreign-aided project will be preferred.
- Upazila Coordinators (14 positions)**
Responsibilities: Implementation of field activities; supervision and monitoring of the activities of CBOs and farmers associations; maintaining close contact with District Coordinators and fisheries and livestock Experts.
Qualifications: Minimum 2nd class (CGPA 3.00) degree in fisheries/livestock science (Animal Husbandry and Veterinary Science) from any recognised university in Bangladesh/abroad. Minimum 2-5 years of job experience in government/NGO. 1-2 years of experience with a foreign-aided project will be preferred.
- Administrative Officer**
Responsibilities: Support the administrative and finance manager in all administrative affairs.
