An Open Discussion Held in Khulna University

Md. Abdullah Al Sazzad

BIOTECH magazine organized an open discussion on "The Stages of Human Life" on the 24th of January 2008 at the Khulna University auditorium. Mr. Mahbub E. Subhani, Associate Professor of the Biotechnology and Genetic Engineering Department in Khulna University was the Keynote speaker. Students shared their thoughts and views in the light of science and religion in this discussion.

Mr. Mahbub E. Subhani discussed some fundamental questions of human life In the course of his discussion he disclosed a core relationship between science and religion, mentioning the famous quote of Albert Einstein, "Science without religion is lame, religion without science is blind." The whole discussion was enjoyable with the enthusiastic presentation of Mr. Subhani and the active participation of the audience.

The Faculty members of Biotechnology and Genetic Engineering Discipline S. M. Mahbubur Rahman, Kazi Didarul Islam and Emdadul Islam also enriched the program with their valuable presence. BIOTECH members were also there to help make the program a success.
