## 'Withdraw cases against RMG union leaders'

STAFF CORRESPONDENT

National Garments Workers' Federation yesterday demanded withdrawal of false cases against garments workers and leaders.

In a joint statement, Federation President Sahida Sarkar, Vice-president Faruq Khan and Joint Secretary Nahar said the price hike of essentials made life unbearable for garment workers. On the other hand, the union leaders cannot help the workers because of restrictions on trade union, leading to labour unrest, they added.

They called on the government to allow constructive activities of

the trade union and take steps to implement tripartite and bilateral agreements in this sector.
