Orientation programme at BAU

Aminul Islam

Orientation programme of the students admitted at six faculties of Bangladesh Agricultural University (BAU) for the session 2008 (level-1, semister-1) was held at Shilpacharya Zainul Abedin auditorium on last Thursday.

Chairman of University Grants Commission (UGC) Prof Md. Nazrul Islam was the chief guest with Prof. Md. Nazmul Hasan, Student Affairs Adviser in the chair.

Vice-Chancellor of BAU, also chief patron of the ceremony Prof. Muhammad Mosharraf Hossain Miah, Convener of Dean Council and Dean of Animal Husbandry Faculty Prof. Dr. Syed Shakawat Hossain, Convener of Provost Council Prof. Dr. SM Rezaul Karim, BAU Register Md. Nazibur Rahman and Proctor Prof. Dr. M Harun-or-Rashid, among others spoke on the occasion.

In his speech Prof Md. Nazrul Islam said that investment in higher education should be increased to make the students ready for the present competitive world which is greatly connected with globalization. So, for a better success in the field of higher education, more investment is a must to cope with the advancing world.

BAU Vice-Chancellor Prof. Miah said the main aspect of BAU is to invent new technologies and serve the nation spreading these technologies throughout the country. He termed the BAU as one of oldest and most unique educational institutions of the country.

Mr. Haripada Kapali inventor of the famous 'haridhan' is receiving a power tiller from Sunnydale School Authority at Ahsannagar, Jhinaidaha.

IUB Orientation Program of Master's in Environment Management

Hasan Saimum Wahab

The growing degradation of environment due to water pollution, air pollution, noise pollution, industrial toxic substance, depletion of forest, dying up of rivers and water bodies and many other such negligence has caused problems leading to serious health hazards, fall of agricultural productivity, erratic weather etc. in Bangladesh. The consequences need to be mitigated and for that the country needs environmental experts to deal with the situation.

Among the speakers Prof Bazlul Mobin Chowdhury, Vice Chancellor, Prof Omar Rahman, Pro Vice Chancellor, Prof. Haroun Er Rashid, Director, SESM, Prof M Ali Hossain, Coordinator of Environment Program, Dr Tanvir A Khan, Registrar spoke on environmental issues at the Orientation of the newly admitted students of Master's in Environment Science, held at Baridhara Campus on 30 January 2008.

Ms Shah Jerin Bashar, a student of the first batch, shared her experience regarding the high quality of teaching and research at IUB and laid importance on a Degree in environmental science in the present day job market.
