DHL MAKES IMPORTING SIMPLE.

Tired of complicated importing processes? DHL Import Express is the simpler, faster way to import door-to-door from over 210 countries. You get one invoice for one pre-agreed price in your local currency from one company. That means no third party, no hidden costs and less paperwork. Use Import Express Online, our new e-tool, and you also enjoy greater security, convenience and control. With streamlined Customs clearance, global track and trace, superior customer service and leading transit times, DHL Express goes all the way to keep importing simple!
