EXCELLENT CAREER LADDER FOR ENGINEERS

JOB @ IWM

Institute of Water Modelling (IWM) is an independent Trust established by the Govt. of the Peoples Republic of Bangladesh providing specialist services to the government, national and international agencies in the field of computational hydraulics and allied sciences. IWM has an excellent working environment and scope for career development through HRD programme both in-house and abroad. IWM is now looking for appointment of some suitable Junior Engineers, who will have to work in the field of understanding hydrologic and hydraulic processes. This will ultimately lead to career development in computational hydraulics and mathematical modelling of the vast river systems of Bangladesh.

Candidates having B.Sc Engg. degree in Civil / Water Resource Engineering are eligible to apply. Some experience in the field of Water Resources will be given preference. Candidates with demonstrated capacity will be offered attractive remuneration packages.

Eligible candidates are requested to visit IWM website (www.iwmbd.org) to download the prescribed CV form and send it through email to <aak@iwmbd.org> or post it to Manager (in-charge), HRD by 02 March 2008.

Only short listed candidates will be called for interview.
