Request for Expressions of Interest (EOI)

for
Selection of International Consulting Firm for Design Review and Advisory Services for Traffic Management Improvement Initiative in Dhaka (Pedestrian Infrastructure and Traffic Engineering)
Contract Package No. S10

Memo No: Paribesh/CASE-PP/PITE Const. (Int. firm)-18/2008/54 Date: 20-02-08

- The People's Republic of Bangladesh (GOB) has received a Japanese Policy and Human Resource Development (PHRD) grant (No. TF090407-BD) for the preparation of Clean Air and Sustainable Environment (CASE) Project to be administered by the World Bank, and intends to apply part of the proceeds of this grant towards payments to an experienced international consulting firm to advise the Project Preparation Team (PPT) on the designs being prepared for traffic management improvements in Dhaka city.
- The design review and advisory services will be monitored by a Project Preparation Team (PPT), anchored at the Department of Environment (DOE), with membership from the Ministry of Communications (MOC) and the Dhaka City Corporation (DCC). The procurement of the services will be done according to World Bank Guidelines.
- The PPT is in the process of hiring a local consulting firm for the design of civil works and related feasibility studies encompassing the following: (a) feasibility study of 150km and design of 60km of one-way streets, (b) feasibility of 90km sidewalks and ancillary road improvements and design of part of this network and (c) feasibility and design of NMV and MV Lane Separators and Foot Over Bridges (FOBs).
- The international consulting firm will review the draft designs produced by local consultants, advise the PPT in the execution of design contract so that its quality meet both national and international standards, assist the PPT in the preparation of bid documents for implementing the works and evaluation of the bids. The international consulting firm will also ensure that all relevant environmental and social guidelines are incorporated into the bid documents, in-line with the environmental and social management framework prepared for investments to be made as part of the CASE project.
- The consulting firm should have the following qualifications: Expertise in planning and design of traffic engineering and traffic management including pedestrian and NMV, experience in preparing and evaluating bids, team members should have demonstrable interpersonal and communication skills, proven ability to work in a collaborative team environment and experience of having worked in developing countries preferably in South Asia would be an added advantage.
- The Project Director of the CASE-PP now invites eligible firms to express their interest in providing the above services. Interested consulting firms must provide information indicating their professional capability and experience to perform the services. Such information should include description of previous similar assignments carried out; staff available for the assignment; firm's drawing capacity including technical skills.
- This will be a 4-6 weeks consultancy assignment to be undertaken between March-June 2008. Expressions of Interest for the above contract must be delivered to the address below on or before March 09, 2008 during office hours.
