### Government of the People's Republic of Bangladesh

Ministry of Primary and Mass Education Bureau of Non-Formal Education Post-Literacy and Continuing Education for Human Development Project-2 BNFE Bhaban, 232/1, Tejgaon Industrial Area Dhaka 1208, Bangladesh

### Invitation of Expression of Interest (EOI) from the NGOs to Implement the Post-Literacy and Continuing **Education Program**

The People's Republic of Bangladesh has received a loan from the Asian Development Bank (ADB) and grant from the Department for International Development (DFID) and the Swiss Agency for Development and Cooperation (SDC) towards the cost of the project titled "Post-Literacy and Continuing Education for Human Development Project-2 (PLCEHDP-2)" and intends to apply part of the proceeds of this loan to payments under the contract for Implementing Non-Government Organization (INGO) services for implementation of Post-Literacy & Continuing Education Program in 210 Upazilas of 29 Districts of 6 Divisions.

The objectives of the project are to develop human resources of the country, to include about 1.6 million neo literates in post-literacy and continuing education programs to consolidate, maintain and upgrade the literacy skills they have acquired previously, to help develop their life pattern by increasing their incomes through providing technical skills training. The project has been reformulated to support new implementation strategy and implementation & dissemination of the approved NFE Policy Framework that the government has developed and instituted to guide the planning, operation and coordination of Non-Formal Education (NFE) sub-sector activities in the country. The Government of Bangladesh (GOB) will select and contract experienced large INGO, with adequate functional capacity, one for each project district. The INGO will be responsible for effective implementation of the project in the allotted district including internal monitoring. Each INGO will be responsible for the following tasks:

a. Provide post-literacy and continuing education;

b. Conduct baseline survey to identify target areas and potential skills;

c. Identify and appoint supervisors and facilitators;

d. Mobilise community to identify learners, Center Management Committee (CMC) members, venue, potential skills and service providers;

e. Help district level Assistant Director of BNFE to organise training program for CMCs, supervisors and facilitators and to conduct social mobilization programmes;

f. Help CMC to establish and make it operational; and

g. Monitor the performance of Continuing Education Centers (CECs).

The INGOs will be selected in phases. One INGO will be selected for one district and INGO may include associate service provider/associate NGO as necessary for implementation of program. The associate service providers/associate NGOs must have been registered under Social Welfare Department/Directorate of Women Affairs/Bureau of NGO Affairs/Registrar of Joint Stock Companies of the government and at least have three years of NFE experience after registration. Eligibility criteria: Implementing Non-Government Organization (INGO) must:

Be registered with the NGO Affairs Bureau;

Be a non-profit and non-political organization; Have a duly approved constitution as per relevant registration act and hold elections regularly as provided for in the

the project;

Have a legally constituted Executive Board with list of membership, including their academic and professional background; Have an organizational structure with information on number of staff at senior and mid level management in the areas of finance, management, monitoring and NFE, with information on their academic background, professional experience, roles and responsibilities; and preferably have or can arrange adequate physical facilities for holding vocational skills training

Have established local office premises in the proposed project district where willing to work;

Have working experience with government and different donors;

Have at least five years working experience, after registration, in the field of non-formal basic literacy and in the field of vocational/livelihood skills training;

Have program progress evaluation reports prepared by the NGO as well as external/third party. Submission of evaluation reports, one each prepared internally and externally;

Have ability/provision to share the overhead cost (maintenance of office/salaries/wages of management personnel, etc)

Have a good system of maintaining transparent accounts, internal and external audit, and general financial management. Submission of general audit report for the last 3 years based on NGO's fiscal year. Be willing to accept external audit; INGO must submit bank solvency certificate mentioning the closing balance and their financial turnover for the past three

Have a good system of planning, monitoring, evaluation and reporting of program activities, problem identification and remedial actions taken:

Have ability to undertake surveys for baseline data and income-generating opportunities within the project district and maintain a database of its own;

Have a network of infrastructure in the designated operation area or the ability to build/expand the same as required; Have a program for development of women (one with a good record of service where beneficiaries have been involved in

project planning and management will be given preference); Not seek or receive funds from more than one source for the same program in the same area;

Show sources of funds, amount of funds and geographical coverage for regular programs, i.e. funds from donors, income generating activities, micro-credit programs, donations from individual and/or group, own contribution, and other if any; Have strong networks/association at different levels with other NGOs and/or professional bodies in a complementary manner, sharing and adopting models of good practice, and will take part in capacity-building activities as provided for by

Have active role in the policy dialogue and advocacy process at community, city and national levels; and

Be able to mobilise Community-based Organizations (CBOs) and skill training providers in the concerned district/upazila/project area.

the 3<sup>rd</sup> phase of the project around 3117 CECs covering around 187020 participants in 11 (eleven) districts will be established during the project period. Each CEC will have 30 male learners and 30 female learners in two shifts every year. Post-literacy and continuing education course will be 9 months followed by 3 months follow-up activities.

The Project Director, PLCEHD-2 under the Bureau of Non-Formal Education (BNFE) of Ministry of Primary and Mass Education (MOPME) invites eligible INGOs to submit their Expression of Interest (EOI) for the above contract. Interested INGOs must provide specific information with supporting documentary evidence for above requirements, demonstrating that they are qualified to perform the services.

Interested INGOs are required to submit their EOI to the address indicated below by 31st March, 2008. Only short-listed INGOs will be asked to submit the proposal as per Request for Proposal (RFP). One INGO will be allowed to submit Expression of Interest (EOI) including the list of associate service providers/associate NGOs for up to 3 districts. The BNFE will select and contract one INGO for each district. Subject to satisfactory performance review, the contract may be extended for the whole project period with annual performance review.

INGOs will be selected in accordance with the procedure set out by GOB and ADB. The BNFE reserves the right to accept or reject any or all EOIs without assigning any reason(s) whatsoever and in such case no compensation will be entertained.

10. Interested INGOs may obtain further information from the address below from 0900-1600 hours from Sunday to Thursday except government holiday.

### Government of the People's Republic of Bangladesh

Office of the Project Director Market Infrastructure Development Project in Charland Region (MIDPCR) Department of Agricultural Extension, Khamarbari (1st Building, 5th Floor), Dhaka-1215 Memo No: MIDPCR/DAE/GEN/Admn./36 Date: 24-02-08

## Expression of Interest (EOI)

The Market Infrastructure Development Project in Charland Region (MIDPCR) is being implemented by the Local Government Engineering Department (LGED) and funded by an IFAD (International Fund for Agricultural Development) loan of USD 25 million, a grant from the Government of Netherlands (GoN) of USD 5 million, together with contribution from the Government of Bangladesh (GoB). Under the production and market group development component of the project, a subcomponent for support for production of marketable crops is being undertaken by the Department of Agricultural Extension (DAE). The Project Management Unit (PMU) of DAE component is inviting applications for selecting an individual consultant to conduct technical study on 'Crop Production Systems & Technologies in the Region by Identifying Constrains and Opportunities'. The Terms of Reference (ToR) for the study would include but, not limited to the following:

- The study should provide:

Major crops grown by season (Rabi, Kharif I and Kharif II).

o Present crop management practices (planting methods, cultural practices, varieties, fertilizer & water management, pest control status, post harvest processing, yield levels, marketing and value addition through food processing).

Constraints to increasing yields/production.

Opportunities for increasing yields/productions. The study should identify:

New varieties of existing crops including a risk assessment.

New crops along with recommended varieties and risk

New technologies such as water & fertilizer management and-

Value adding, processing or improved stirage of crops.

- The study should provide the details of commercial establishment of nucleus fruit tree gardens

- The study should provide recommended varieties/crops for trials in the area as well as details of any field trials recently conducted. The consultant should have:

Post graduate degree in agricultural subjects and have at least 15 years experiences in GoB/donor projects; similar work experience in IFAD funded project would be treated as added advantage for the candidate.

The candidate should have commendable experiences in field works especially on impact survey or studies. Computer skill (Word, Excel, Power Point) and reporting

skill (English) would be essential for the candidate. The candidate should have experience in preparation of project report.

The consultant should have good communication skill and to be worked in association with the PMU staff to complete the study.

Extensive field works are to be needed for the work. Working experience in international organisation/project would have extra credit.

Expected financial package should be submitted. General

The duration of the study would be not more than 45 days after given the work order.

The coverage of the study would be Bhola, Laxmipur, Noakhali, Barisal and Patuakhali districts.

The consultant should have to mention the contract financial package for the whole period of study including support staff during the study period.

The PMU will provide minimum logistic supports to complete the study.

The PMU reserves right to cancel the designated works without explaining causes.

Interested candidates who fulfill the requirements should submit proposal with detailed CV along with recent passport size photograph to the Project Director, Market Infrastructure Development Project in Charland Regions (MIDPCR), Department of Agricultural Extension (5th Floor, 1st Building, Khamarbari), Dhaka-1215 on or before 15 March 2008.
