IN REMEMBRANCE

Late Syed Md. Habibur Haque

3rd March
On this day we remember Syed Md. Habibur Haque, the founder Vice-President of SERVE THE PEOPLE, whose support and inspiration laid the foundation of our organisation. He served Crystal Insurance Co. Ltd. as the founding Managing Director and one of the Sponsor Directors. On the 6th death anniversary of our beloved founding Vice-President, we invoke the blessings of Allah for the salvation of his departed soul. May Allah bless him along with those who have departed earlier.

IKEA
INVITING PROFESSIONALS WHO CAN MAKE A DIFFERENCE
IKEA, a production oriented retail company, operates through its own retail, wholesale and purchase organizations with 242 stores in 24 countries and 45 purchasing offices in 31 countries. We have currently 118,000 coworkers and a turnover of 19.8 billion Euro, making IKEA the worlds largest Home Furnishings company.
We are known for offering a non-hierarchical, fun workplace where taking responsibility, diversity and gender equality are key values. Currently we have the following opportunities in our trading office in Dhaka:
1. **THE JOB: Supply Developer**
SCOPE: To efficiently manage our order handling and supply chain system and develop new logistical solutions together with a team of people and suppliers. Along with this you will also be a super-user for the EDI system IKEA is implementing for order management towards our suppliers. This involves implementing the system, supporting the users and securing the quality in information. The job demands a keen understanding of realities at factory floor and commercial skills to ensure a high level of delivery performance. It also requires a good supply chain knowledge and interest in IT systems.
CANDIDATE PROFILE:
• A graduate degree and MBA with experience in supply chain function
• Strong system orientation and computer proficiency
• Understanding of production processes and bottlenecks
• Exposure to forecasting / order planning / inventory management will be an added advantage
• Creative problem solving ability
2. **THE JOB: Quality Developer**
SCOPE: To implement Quality Systems in the production process and work to enhance efficiency in production together with the suppliers. Along with this you will also be a super-user for the EDI system IKEA is implementing for quality updates and tracking for our suppliers. This involves implementing the system, supporting the users and securing the quality information. The job demands a keen understanding of realities at factory floor and technical skills to ensure a high level of production and quality efficiency.
CANDIDATE PROFILE:
• A graduate and/or masters degree with experience in Ceramic Production
• Understanding of production processes and quality assurance
• Strong system orientation and computer proficiency
• Creative ability in developing new ways of working in the production floor
In addition, the above positions demand excellent communication skills and fluency in English, Project Management skills, good computer knowledge and strong team player skills.
Both the positions are based in Dhaka, and require travel to local suppliers, as well as regionally. IKEA is an equal opportunity employer and women are encouraged to apply.
Please send your applications with a resume and 2 references via email to:
erecruitment.bangladesh@memo.ikea.com
Subject line: <Job Title>
Alternately, you can send your application via regular mail along with a resume, photo, 2 references and a cover letter explaining the interest in the position, within 10 days to:
The Site Manager / Business Development Manager (Ceramics)
IKEA Trading (Hong Kong) Ltd
H-59, Sohrwardi Ave., Block-K, Baridhara, Dhaka-1212
