Books

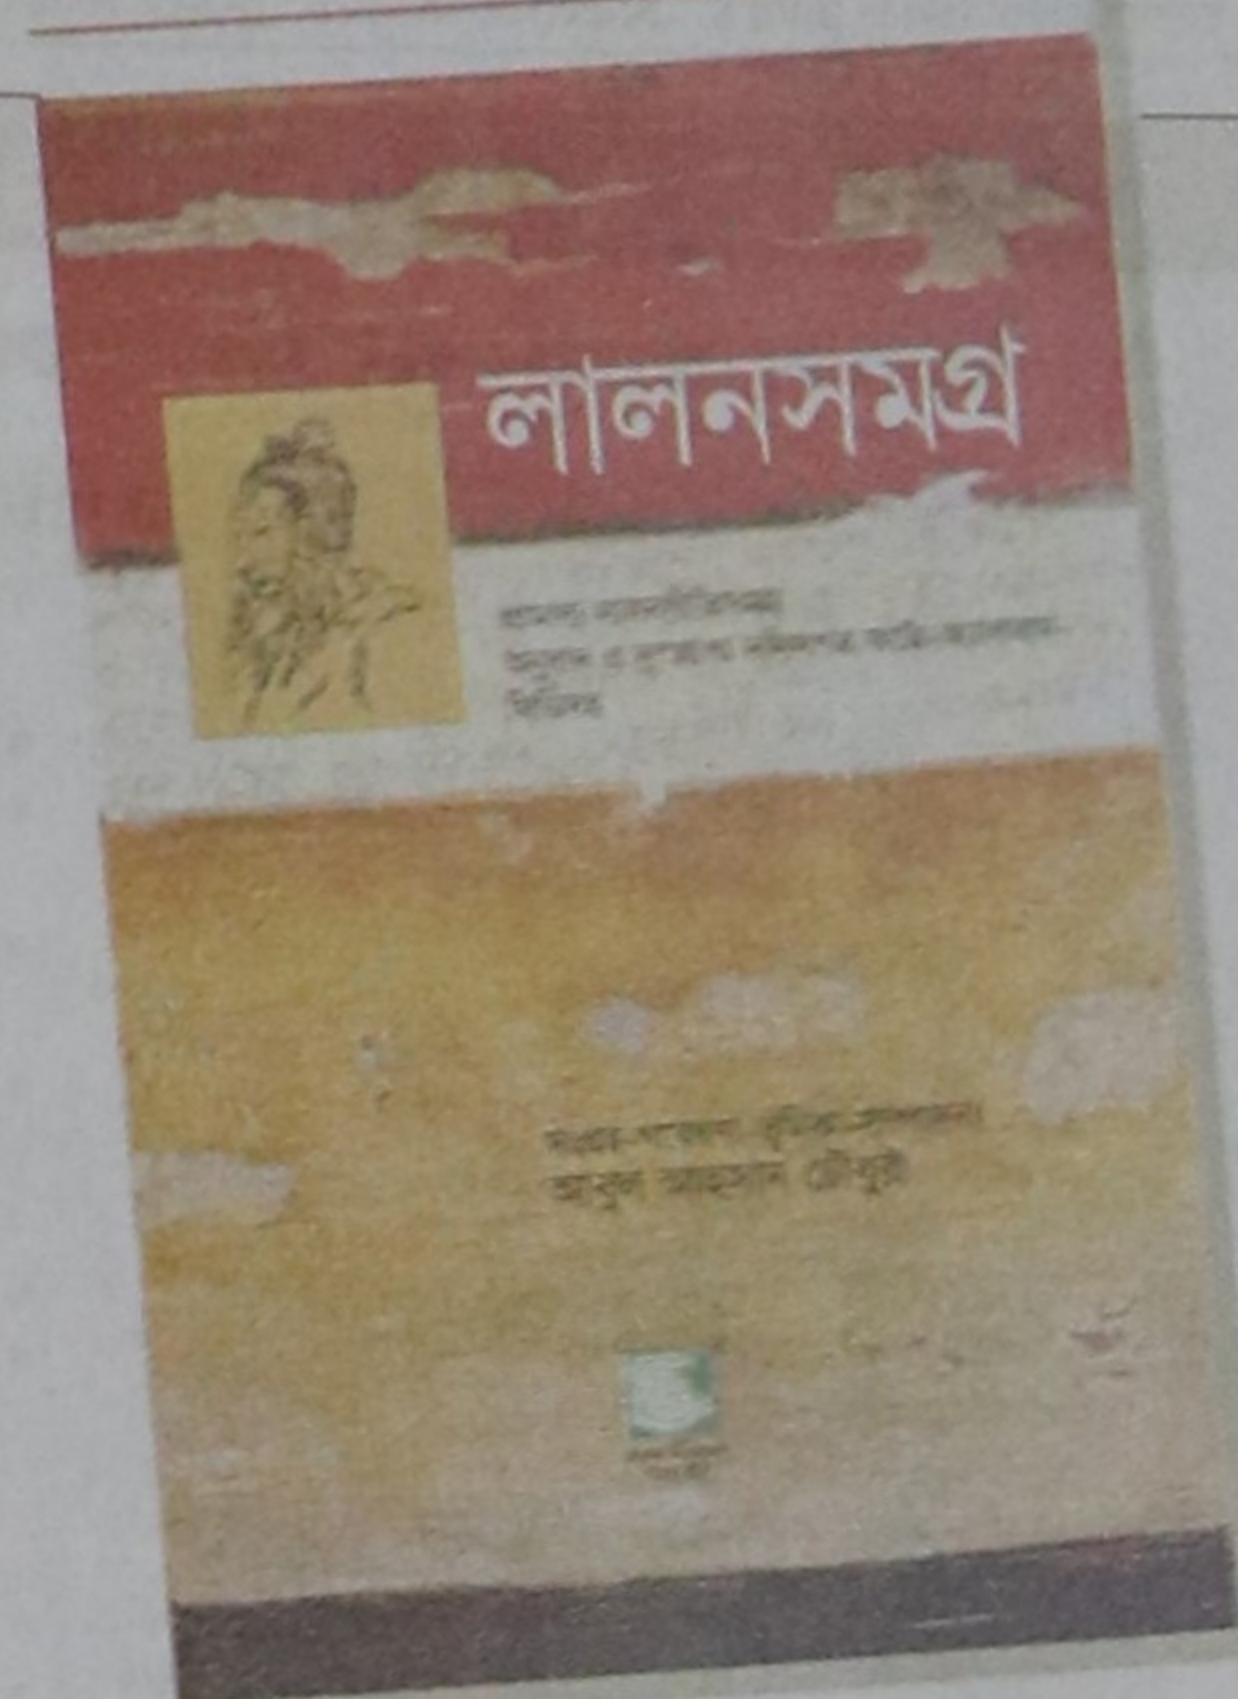

Selected Poems: Shamsur Rahman
Translated by Kaiser Haq
Price: Tk 350.00
The book presents the complete range of the poetic achievement of Shamsur Rahman, "the greatest Bengali poet of his generation" as the Guardian obituary described him. His poetry ranges from the personal to the political, the lyrical to the meditative, the modernist to the populist. The translation for the Anglophone reader indeed does justice to the poetic merit of the originals.

This will certainly meet the demand for a correct and authentic collection of the works by the mystic poet.
