

ATTACK ON 7 BCL ACTIVISTS AT DU HALL Action against JCD cadres demanded

A CORRESPONDENT

Bangladesh Chhatra League (BCL), the student wing of Awami League, yesterday urged the vice-chancellor of Dhaka University (DU) to take action against the Jatiyatabadi Chhatra Dal (JCD) cadres of Surya Sen Hall, who beat seven BCL activists severely on Sunday.

At a meeting with Prof SMA Faiz, BCL leaders led by DU unit President Sohel Rana Tipu also demanded that reports of all probe committees, formed to investigate the incidents that occurred at different dormitories during last one month in which BCL activists were assaulted by JCD leaders and cadres, be made public.

Sohel said the VC has assured them of taking steps to make the

probe committee report on this incident public.

A group of JCD cadres led by Surya Sen Hall unit General Secretary Karim Sarkar beat seven BCL activists entering their rooms in the early hours of Sunday.

Hall authorities have formed a four-member committee headed by senior House Tutor Md Al Amin to investigate the incident.

Acting hall provost Prof Saiful Alam said the committee has been asked to give its report within next three working days.

The BCL filed a case against 14 JCD cadres with Shahbagh Police Station in this connection on Sunday. Prof Faiz said he will take steps after getting the probe report.

Mobile offenders face cut

FROM PAGE 1

Khaleda Zia, was sent to Kashimpur Jail from BSMU cell at around 1:30pm following seizure of cellphones from his possession.

BNP lawmakers Nasiruddin Ahmed Pintu and Abul Hashem were shifted from BSMU and Salaudin Ahmed from Kashimpur to Dhaka Central Jail, the sources added.

Earlier on Sunday, another former BNP lawmaker Mosaddeq Ali Falu was shifted to Dhaka Central Jail for using an i-Pod and former Jamaat lawmaker Abu Taher from BSMU to Dhaka Central Jail.

Deputy Inspector General (DIG-Prisons) Maj Shamsul Haider Siddique yesterday told The Daily Star, "Because of violating the jail code, the authorities have cut the privileges of some of the high-profile prisoners in meeting visitors."

"Investigation is on against those who helped them violate the code by supplying cellphones, SIM cards and i-Pod."

Asked, he said the authorities are also verifying the necessity of the stay of some VIP prisoners in the prison cells.

Earlier on Sunday, jail authorities seized the cellphone of a BSMU doctor when Tarique Rahman, son of Khaleda Zia, was found using it at the prison cell of the hospital.

Besides, jail authorities also seized two SIM cards from Salahuddin Quader Chowdhury, a cellphone from the hospital attendant of Lutfozzaman Babar, and an iPod from Mosaddeq Ali Falu after searching the cells.

The authorities have already taken punitive actions against at least 15 high-profile prisoners in this connection.

Among them, former ministers Air Vice-marshal (ret'd) Altaf Hossain Choudhury and Barrister Nazmul Huda, and former state minister Aman Ullah Aman were sent to Narayanganj jail.

Former minister Mirza Abbas was sent back to Dhaka jail from Apollo Hospitals for the same reason.

The jail authorities also seized mobile phones from former state minister Mohiuddin Khan Alamgir, Sigma Huda, wife of Nazmul Huda, Sabera Aman, wife of Aman Ullah Aman, and Khusrud Lobi, wife of former lawmaker Ali Asgar Lobi.

The sources say other imprisoned crime suspects and convicted criminals also often control their networks of killings, extortion, and other crimes using mobile phones.

Against this backdrop, the government has decided to install cellphone jammers at all 67 prisons across the country to block calls to unauthorized contacts.

Earlier on April 30, IGP-Prisons Brig Gen Zakir Hassan told The Daily Star cellphone jammers would be installed in all the central jails within this year.

Jail sources said some new rules have already been imposed to check such violations. These include no

more than one detainee at a time be taken out of the ward for test or check-up, prisoners not allowed to meet relatives while they are outside ward for test or check-up, doctors no longer allowed to recommend food from outside for detainees, prison authorities must be informed instantly if anybody violates the rules, and light be turned on in the prison ward all the time.

Beximco Pharma scholarship for employees' children

Beximco Pharmaceuticals Ltd, leading pharmaceutical manufacturer and exporter in the country, launched a scholarship scheme for the children of its factory employees, says a press release.

This year the scholarships were distributed among the recipients at the annual cultural function at Tongi factory on Saturday.

The scholarships were awarded in four levels -- Primary Scholarship Examination, Junior Scholarship Examination, Secondary School Certificate and Higher Secondary Certificate.
