## "Sagar Utsab" in Kuakata

Andrew Kishore performs at the festival

A view of the crowd

A three-day long festival titled 'Sagar Utsab' was held recently in Kuakata, says a press release. The event was organised by the Committee of hotel, motel and resort owners and sponsored by banglalink. The local UP Chairman inaugurated the festival.

The first day of the festival started with music and dance by artists from the *Rakhaing* community of Kuakata. The programme on the first day ended with a screening of the movie *Ora Egarojon*.

The second day's programme started off with a seminar focusing on the history, current affairs and potentials of Kuakata. Deputy Commissioner of Patuakhali, A.G.M.

Mir Moshir Alam, was the chief guest at the programme. Later a procession went up to the beach. Late into the night the audience enjoyed performances by bands from Barisal.

Popular singer Andrew Kishore performed at the festival on the closing day. The artist started his performance by paying tribute to the freedom fighters with the song *Ek shagor roker binimoye*. Among others songs, the singer rendered *Haire manush rongin fanush* and *Daak diachhen doyalamaare*.

The festival was arranged to encourage the recovery of the areas in Kuakata that were hit by the Cyclone Sidr.

## Photography competition Nokia awards winners of "Rediscover The Night"

Winners of the competition at Drik Gallery

Nokia Rediscover The Night photography competition was held on March 28 and 29, says a press release. An exhibition of the winning photographs was held at the Drik Gallery. The competition started over a month ago -- users of Nokia Nseries sent their photographs via Internet and the best 30 were selected, with five winners each

in six consecutive weeks.

The exhibition featured how the photographers captured the beauty of night though their frames. The photographs will be later included in a coffee table book that will be available at different outlets.

The competition drew widespread interest through a popular TV programme that featured

the winners and noted celebrities. "Looking at the photographs, two things can be concluded -- first, there is impressive artistic talent here and secondly, you no longer need to carry a hefty camera to take good photos; the Nokia N82 is testament to that," said Syed Nowfel Anower, head of Marketing, Nokia Emerging Asia.

### "Tairair Bukey Miju Munshir Pao" staged at Narayanganj

CULTURAL CORRESPONDENT

To celebrate the Independence Day, Palakar staged a street play titled *Tairair Bukey Miju Munshir Pao* at Kalapaharia Union, Narayanganj. It was the 52nd show of the play. Palakar usually stages the play on occasions like the Independence

Day, Victory Day and May Day.

Written by Aminur Rahman Mukul, the play is inspired by one of Shishir Bhattacharya's illustrations. *Tairair Bukey Miju Munshir Pao* features the feudal oppression on the proletariat.

The director informed, "As the conflict in *Tairair Bukey Miju Munshir Pao* is centred around a *haat* (an open village

market that takes place once or twice a week, near a river or under a big tree), we stage the play in rural areas, where a *haat* takes place."

"The experimental production *Tairair Bukey Miju Munshir Pao* has become quite popular. We are doing several experimental works like this," he added.

All programmes are in local time.  
The Daily Star will not be responsible for any change in the programme.
