Trēo 680

Smartphone gives

Smarter Options

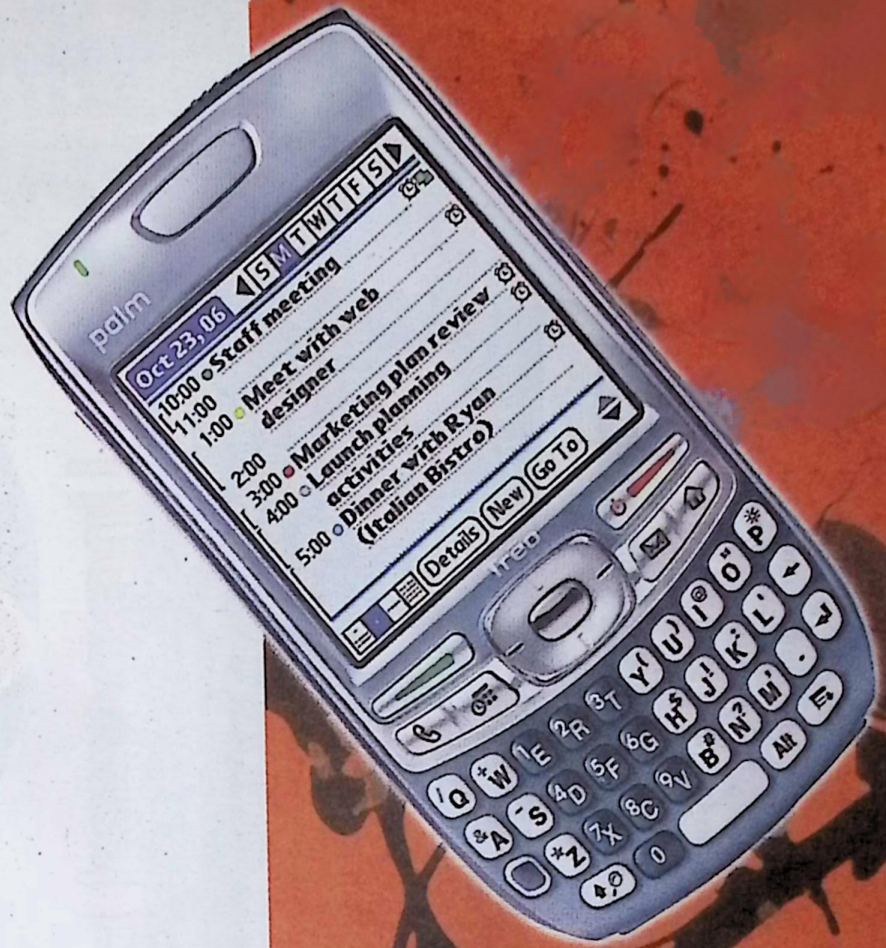

Treo 680 smartphone gives you a **phone with a complete organizer** that will amaze you with the things it can do. It has all the facilities you will ever need as a businessman, self-employed professional or an executive.

It gives you the freedom to be out of desk and at the same time it lets you do everything no matter where you are starting from **creating/editing MS Word, Excell, PowerPoint** documents, **view PDF** documents, **Contacts, Caledars** and **Emailing, Browsing, Chatting** with the **fastest EDGE based web browser**.

Fun is also not off from the list; **games, musics, camera, photos and videos** are there to keep you busy during your leisure hours.

With **full synchronization with your PC**, you never have to worry about loosing your data again - ever...
