Teacher training programmes at Speed

Ms. Shoma Zahid Sattar

SPEED successfully launched its 8th batch of learners on May 4, 2008. The launching ceremony was attended by the Deputy Chairperson of Scholastica, Ms Wasima Parveen. The number of learners at SPEED has now reached over 120 teachers, with a passing rate of 100%. Among the participants, more than two-thirds are from Scholastica School. According to Scholastica's policy, all its teachers will be certified within the next few years. Apart from Scholastica, participants in SPEED's Teachers Training Program include faculty from ISD, Play Pen, Maple Leaf, Hurdco International School, Oxford International School, Lakehead Grammar School and Banani Bidda Niketon. More than 20 teachers have successfully completed the program and have received graduation certificates from Cambridge International Examinations (CIE).

SPEED offers programs apart form teacher training, such as training programs for English language proficiency leading to Cambridge ESOL exams, computer skills, accountancy (leading to ACCA exams) and corporate professional development for individuals in companies and various organizations. SPEED is committed to provide training solutions that meet the developmental needs of business and educational organizations by creating programs that increase productivity and long term success.
