Career Opportunity
Programme Officer, Harmonisation and Alignment

The Embassy of Denmark, Dhaka seeks the services of a Programme Officer for harmonisation and alignment.

The Danish strategy for development cooperation with Bangladesh (2005-2009) involves assistance in the main areas of human rights, democratisation and good governance, business cooperation, agriculture (crops, aquaculture, livestock, and rural roads), water supply and sanitation.

Denmark is committed to work towards more effective aid by promoting and accelerating harmonisation and alignment of development cooperation globally and in programme countries, including Bangladesh.

The purpose of the position is to strengthen our strategic work on national development policies and strategies, harmonisation and alignment and quality assurance of Danish development assistance, and to further expand our network relations with key partners in Government and among development partners. The position will also assist in further strengthening of our efforts of harmonisation and alignment in focus sectors and promotion of sector-wide programme approaches.

The programme officer will refer to the Deputy Head of Mission of the Embassy.

Role

- Work with Government and international development partners related to the 2nd Poverty Reduction Strategy, Joint Cooperation Strategy, Harmonisation Action Plan and other national development plans and strategies.
- Play a key role in dialogue and relationship building with key partners from Government and international development partners.
- Participate in overall policy dialogue and donor coordination related to development assistance.
- Advise on strategic and horizontal issues of relevance to the Danish assisted country programme.
- Assist in promoting and advancing alignment and harmonisation efforts related to Danish assisted sector programmes.
- Plan, organize, and participate in technical missions, and provide inputs and take part in High Level and Technical Consultations.
- Assist in identifying new activities and provide and coordinate inputs to policies, strategies, analytical work and speeches.
- Guidance and support of staff on strategic tasks related to development assistance.
- Participate and contribute to the general tasks at the Embassy, including annual planning and reporting, assignments outside the development assistance etc.
- Perform other duties, as required.

Qualifications and Experience

- Post-graduate degree in development studies, public administration, social science or other relevant disciplines from a reputed university.
- 5+ years of professional work as a development adviser in the government or for international development agencies, and at least 2 years experience at policy level.
- Proven experience in policy dialogue, strategy development, harmonisation and alignment is essential and experience in implementation and monitoring of development programmes will be an advantage.
- Experience and demonstrated skills in working with diplomatic missions, UN agencies and multilateral donors in policy and strategy development and implementation is desirable.
- Demonstrated interpersonal and diplomatic skills with the ability to work under pressure.
- Experience working with multi-disciplinary teams, including developing, coaching, guiding and mentoring staff, and taking into account cultural sensitivities.
- Demonstrated ability to act as a policy advisor.
- Excellent analytical and report writing skills.
- Team-orientation.
- Pro-activeness, dynamism and flexibility.
- Strategic and analytical thinking.
- Capacity to represent the Embassy of Denmark at different forums, as necessary.
- Excellent spoken and written communication skills in both English and Bangla.
- Strong in use of personal computer.

Remuneration
Competitive package will be offered on merit.

Applications
All applications will be treated on merit and in strict confidence. To apply, please forward an updated resume together with a recent passport size photograph by Thursday 26 June 2008 to Embassy of Denmark, GPO Box 2056, Dhaka 1000. Receipt of applications will not be acknowledged but applicants called for interview will be notified.

The Embassy of Denmark is an equal opportunities employer. Applications are welcome from qualified individuals, regardless of race, gender, religion or disability.

Career Opportunity
Programme Officer, Macro-economics

The Embassy of Denmark, Dhaka seeks the services of a Programme Officer for macro-economics.

The Danish strategy for development cooperation with Bangladesh (2005-2009) involves assistance in the main areas of human rights, democratisation and good governance, business cooperation, agriculture (crops, aquaculture, livestock, and rural roads), water supply and sanitation.

The purpose of the position is to strengthen alignment of the Danish development assistance with Bangladesh's public financial management systems and procedures, and to further develop harmonisation of financial management policies and procedures with other development partners for increased aid effectiveness. The position will also facilitate implementation, monitoring and supervision of some of the activities implemented under the Human Rights and Good Governance programme.

The programme officer will refer to the Counsellor for Human Rights and Good Governance.

Role

- Collect updated information on Government of Bangladesh' public financial management system and audit institutions, public financial management system and capacity.
- Advise the Embassy Management and Desk Officers/Local Programme Officers on issues of relevance with the purpose of facilitating integration of the management of Danish-funded activities into Government of Bangladesh's public financial management system.
- Facilitate coherence in the financial management arrangements across the country programme, including budget control, auditing and accounting.
- Participate in donor coordination on harmonisation of financial procedures.
- Assist Desk Officers/Local Programme Officers in relation to joint funding arrangements.
- Responsibility for support to public financial management under the Human Rights and Good Governance programme and for other activities in this area.
- Plan, organize, and participate in technical missions, and provide inputs and take part in High Level and Technical Consultations.
- Assist to identify new activities and provide and coordinate inputs to strategies, reports and speeches.
- Contribute to policy dialogue and participate in donor coordination.
- Participate and contribute to the general tasks at the Embassy, including annual planning and reporting, assignments outside the development assistance etc.
- Perform other duties, as required.

Qualifications and Experience required

- Post-graduate degree in macro-economics, development economics or economic policy, public administration, social science, or other relevant disciplines from a reputed university.
- 5+ years of professional work as an economist in a public sector institution or other institution in the area of development planning and programming, and at least 2 years experience at policy level.
- Proven experience in programme and project planning at national and local levels is essential and experience in implementation and monitoring of development programmes will be an advantage.
- Experience and demonstrated skills in working with diplomatic missions, UN agencies and multilateral donors in programme management and implementation is desirable.
- Demonstrated interpersonal and diplomatic skills with the ability to work under pressure.
- Experience working with multi-disciplinary teams, including developing, coaching, guiding and mentoring staff, and taking into account cultural sensitivities.
- Demonstrated ability to act as a policy advisor.
- Excellent analytical and report writing skills.
- Team-orientation.
- Pro-activeness, dynamism and flexibility.
- Strategic and analytical thinking.
- Capacity to represent the Embassy of Denmark at different forums, as necessary.
- Excellent spoken and written communication skills in both English and Bangla.
- Strong in use of personal computer.
