NEW BUDGET Mixed reaction among parties

STAFF CORRESPONDENT

In a mixed reaction to the proposed budget for 2008-09, political parties and socio-economic organisations yesterday urged the government to talk to political parties before finalising it.

Jatiya Party, Bikalpadhara Bangladesh, Jatiya Nagorik Party and Karmajibi Nari termed the budget pro-people and welfare-oriented, saying it contains many new and positive aspects.

They, however, said the budget has no guidelines on ways to address fuel security, price hike of essentials and power and water crises.

Workers Party, Jatiya Samajtantrik Dal, Jatiya Samajtantrik Shramik Jote, Jatiya Biplabi Front, Jago Bangladesh Garments Sromik Federation, Jatiya Mukti Council and Bangladesh Samyad Dal criticised the budget, saying there is no guideline in it to mitigate public sufferings from power and water crises and price hike.

Truth commission office set up

Recruitment starts

SHAMIM ASHRAF

The government has set up the office of the much-talked-about Truth and Accountability Commission and started appointment of the necessary staff so that the commission may start functioning immediately after its formation.

The commission is going to publish notifications in different newspapers and other mass media to inform all about its objective and jurisdiction and the people's right to make voluntary disclosure before it.

With the aim to curb corruption and reduce the massive load of corruption cases through quick adjudication within 30 days of filing, it will function for five months from the day of formation. It however will have some more

days to carry on the unfinished tasks.

After the cabinet's final nod to promulgation of Voluntary Disclosure Ordinance, 2008 on May 25 to let graft suspects avoid imprisonment in exchange for confessions and surrender of their ill-gotten wealth, the president promulgated the ordinance on Sunday.

The same day, the government set up its office in three houses -- Totinee, Tonmoy and Uttarayan -- which were used as residences of the ministers during the elected government's tenures. The office is now undergoing renovation.

Two deputy secretaries of the establishment ministry and one from the home ministry have already been attached to the commission.

"I got the order yesterday [Mon-

day] and joined at once," Abdullah Al Mamun, a home ministry DS, told The Daily Star yesterday. The other DSs are Shahed Iqbal M Mahbubur Rahman and Shamim Al Mamun.

The establishment ministry has received a requirement of about 25 staffs including officials and employees, who include personal secretaries of the commissioners, computer operators and MLSS.

"The process of appointing the necessary staffs will be completed within a couple of days," an official of the establishment ministry said.

The staffs are being attached to work with the commission as long as it functions and will draw salary as the establishment ministry staff, headed.

Sensing the presence of the law enforcers, the robbers opened fire on the law enforcers, prompting them to retaliate.

During the "shootout" Mias received bullets and died instantly while his accomplices managed to escape.

Five law enforcers were also injured during the shootout that lasted for 25 minutes. DHAKA POLYTECHNIC 15 injured in JCD-BCL clash

STAFF CORRESPONDENT

At least 15 students of Dhaka Polytechnic Institute were injured in a clash between the activists of Jatiyatabadi Chhatra Dal (JCD) and Bangladesh Chhatra League (BCL) on the campus yesterday.

The feuding groups, equipped with iron rods and sticks, also attacked several rooms of their rivals at Latif Hostel and damaged furniture, computers and other valuables, witnesses said.

Of the injured, five belong to BCL while the rest to JCD, the institute sources said, adding that they took first aid at local clinics.

Witnesses said two activists--one from JCD and the other from BCL--scuffled over sitting on a footpath on the campus in the morning.

As a sequel to the scuffle, around 200 leaders and workers of both BCL and JCD clashed on the campus at noon.

Police have been deployed on the campus to avert further incident.

The authorities of the institute had to shut the institute for a certain period last month as students went berserk and clashed with police following death of a fellow student in a road accident.

India destroy Pakistan

MOHAMMAD ISAM

Two opening salvos helped India demolish Pakistan by 140 runs in the second match of the Kityly Cup at the Sher-e-Bangla National Stadium yesterday.

After Virender Sehwag and Gautam Gambhir took the bowlers to the cleaners in India's mammoth 330-8, Praveen Kumar swung out the first four Pakistan batsmen to skittle out their arch-rivals for only 190 runs in 35.4 overs to finish their 12-match winning streak in one-day internationals.

Salman Butt's upshift drive was well held by Rohit Sharma in short cover off Praveen and from the very next ball, his outswinger to struggling right-hander Younis Khan was easily held by skipper Mahendra Singh Dhoni behind the stumps and Pakistan were 14 for two.

That set the pattern and although Kamran Akmal attacked during his 35-ball 38, he was soon SEE PAGE 2 COL 1

LOCAL GOVT POLLS EC to seek lifting or relaxing emergency

STAFF CORRESPONDENT

The Election Commission (EC) plans to meet the chief adviser in a couple of days to ask again to create an environment conducive to beginning local government elections from July, either by lifting or relaxing the state of emergency in the areas concerned.

The EC is preparing to hold polls to four city corporations and nine municipalities by announcing schedules next week and wants the government decision before the announcement of the schedule, whether the state of emergency would be lifted or relaxed for the polls, sources in the EC said.

According to the EC's plans, polls to some other municipalities will be held between August and September and then it will begin

holding the long overdue elections to upazila parishads.

Sources in the EC said, all the planned local government elections are likely to be held amid the state of emergency since the caretaker government has no plan to lift the emergency even before the parliamentary polls, scheduled for the third week of December. However, the EC would ask the caretaker government chief to create a congenial atmosphere either by relaxing or lifting the state of emergency, they added.

"Wait a day or two," Election Commissioner Mohammed Sohul Hossain told journalists yesterday, replying to a query about the date for meeting the chief adviser. He, however, said they will have to meet the chief adviser soon.
