Painting competition for differently-abled children

AHMED HUMAYUN KABIR, Pabna

The differently-abled children of 'SWID Bangladesh, Pabna' participated in a painting competition last Saturday. The event was arranged by Pabna Drama Circle, a leading cultural organisation in the district. Around 25 children of the organisation took part in the competition.

The competition, held at the Pabna town hall premises, was organised as part of the three-day programme celebrating the 27th anniversary of Pabna Drama Circle. The speakers at the programme stressed on the necessity of participation of the disadvantaged children of the society in every competition.

Lecturer, Pabna Govt. Bulbul College, Md. Akteruzzaman; President of Pabna Drama Circle, Pradip Sannyal Gopal; Vice-President of the organisation, Faruk Hossain Chowdhury and several prominent cultural activists of the district were present at the event.

The speakers in general expressed that the disadvantaged and differently-abled children are a part of our society. So it is our duty to guide them and provide necessary assistance to incorporate them in the mainstream.

Leaders of Pabna Drama Circle assured that they would ensure at least 10 seats for disadvantaged

and differently-abled children at every programme arranged by the organisation.

Participants at the competition expressed their enthusiasm. "It is a unique experience for us to get this opportunity to take part in this competition. Rather than being viewed as 'burden', we would like to contribute to the society," said a participant.

The teachers of SWID observed that such initiatives would further inspire the children. "We hope that all the socio-cultural organisations would consider these children," said Md. Hasinur Rahman, teacher and the accountant of SWID Bangladesh, Pabna.
