To get money for work that we do, or at least pretend to do

It's been a long journey.
 So many things have happened around us.
 So little has stayed the same.
 We now have 83 branches all across the country,
 serving almost 100,000 customers daily.
 And from today, we also have a new look.
 The City Bank Limited will now be known as, simply, City Bank.
 One thing, however, still hasn't changed -
 our commitment to make sure
 you always get the best out of your money.
 After 25 years, that's what you'd expect from us.
 And that's what we do.
