JOB OPPORTUNITY

The North-West Power Generation Company Ltd. (NWPGL) owned by the BPDB and a successor utility for generation of electricity to meet the growing demand of BPDB's system, has already started functioning. Now the NWPGL invites applications from qualified professionals for the following posts.

1. Managing Director: (01)

The Managing Director is the Chief Executive Officer of the Company reporting to the Board of Directors. He is the leader of the Management Team of the Company, responsible for overall management, e.g. administration, corporate planning, business development and ensuring the compliances of Laws, Rules and Regulations and for Good Governance, including development of set-up, rules, regulations and systems and legal functions of the organization. He is also responsible for supervision of all technical, financial & welfare aspects, negotiation for project financing issues with donors/development partners and listing the company in the stock exchange(s) etc.

Qualification of the Candidate:

Academic qualification of the candidate shall be Graduate/MSC in Engineering, preferably having Electrical/Mechanical Discipline. The candidate having Post Graduate in Management, Social Science, Physical Science, Applied Science, Finance, Accounting or FCA/FCMA/MBA. Degree with long time managerial background in any large organization (Govt./Semi-govt./Autonomous/Private) may also apply. Age limit of the candidate shall be 52 to 57 years on the date of last day of submission of application as per advertisement for the post. The age limit may be relaxable in case of highly experienced candidate.

Experience of the Candidate:

Working experience of the candidate shall be minimum of 25 years in different managerial levels in the large entity in the Power Sector. The candidate having experience in running Power Plant (100 MW. & above capacity) including implementation of Projects (Power Plant & other) shall be given preference. Candidates from the large private sector company should have working experience in the 1st, 2nd or 3rd position of the organization.

Disqualification of the Candidate:

The candidate in spite of his age limit serving below the Post of GM/DGM or equivalent need not to apply. The candidate who is disabled physically or mentally is not allowable to apply for the Post. A person who has been dismissed form service due to misconduct or due to corrupt practice from any organization or punished in any case by any regular Court of the country shall be considered unfit for the Post. Persuasion by any means for getting the job shall also be treated as a disqualification of the candidate.

Remuneration Package:

Basic salary per month Taka Sixty thousand (60,000.00) only + house rent (If proper accommodation could not be made available) @ Taka thirty thousand (30,000.00) per month, two festival bonuses in a year, contributory provident fund, group insurance, encashment of leave, fringe benefits, gratuity, etc. as per applicable rules of the company. Expenses at actual for medical services for self, spouse and dependent children within Bangladesh will be reimbursed up to a maximum limit of three (3) months basic salary per annum and full time transport with driver will be provided. Income tax shall have to be paid by the employee. This remuneration/compensation package will be subjected to adjustment in the pay structure of the company to be finalized later on.

Nature of the Service:

The service shall be on contract basis. The initial contract period of the service shall be for 3 (Three) years and is renewable for further period based on the satisfactory performance and as per approval of the Board of Directors of the Company.

However, the performance of the selected candidate shall be evaluated and monitored yearly by the Board of Directors of the Company for taking decision about his continuity of service in the Company.

2. Director (Technical): (01)

The Director Technical is the Chief Technical Officer of the Company reporting through the Managing Director to the Board of Directors. He shall act as a member of the Management Team of the Company to assist the Managing Director, for overall coordination of company's management, planning, development and preparation of the project profiles for the electrical generation system, ensuring the compliances of Laws, Rules and Regulations for Good Governance. He is also responsible for the technical studies, engineering, construction, supervision, operation and maintenance of all the facilities of the Company, and shall assist the Managing Director for negotiating project financing issues with donors/development partners and listing the Company in the stock exchange(s), etc.

Required Qualification, Experience & Age Limit:
