

DSE WEEKLY

# Bearish trend continues

## STAR BUSINESS REPORT

Bearish trend continued on the Dhaka Stock Exchange (DSE) last week, despite the total turnover rose by 18.43 percent over the previous week.

Week-on-week basis, the DSE General Index declined by 37.15 points, or 1.23 percent to 2981.99 points, while the DSE All Share Price Index fell by 18.65 points, or 0.72 percent, to 2569.35 points on Thursday, the last trading day of the week.

According to market insiders, continuous price fall in mutual funds in the past few weeks contributed to the downward trend on the premier bourse.

They said the regulatory measures to bring some changes in mutual fund rules was the main reason behind the price fall in mutual funds.

The Securities and Exchange Commission (SEC) on June 26 at a meeting decided that no close-end mutual fund will be allowed to issue pre-emptive rights shares to the existing unit holders. The

SEC also decided that mutual funds will not be allowed to raise their capital base through issuing rights or bonus shares.

Following the regulator's move prices of all mutual funds dropped for several consecutive weeks. However, the prices of mutual funds rose on the last trading day of the week on rumour that the SEC chairman has quit his post. The chairman rejected the rumour outright.

On Sunday, a group of investors formed human chain in front of the DSE building protesting the commission's move to review the mutual fund rules.

The much-talked event on the DSE last week was massive virus attacks on the server systems of more than 120 brokerage houses that forced the DSE authorities to suspend the trading almost for the whole day on Wednesday. The server systems, however, came back in order on the following day.

The total turnover on the prime bourse was Tk 1,341.27 crore last week against Tk 93.38 crore.

Tanvir Haider Chaudhury, head of Shared Distribution and Service Quality of Standard Chartered Bank, inaugurates a new ATM booth of the bank on Satmasjid Road, Dhanmondi in Dhaka recently. The new booth will provide 24-hour cash withdrawal facilities to all VISA, MasterCard, Cirrus and Maestro cardholders.
