to befool people' Assault of freedom fighter protested in Satkhira, Dinajpur,

Rangpur, C'nawabganj, Rajshahi

STAR NATIONAL DESK

Freedom fighters, political leaders and conscious citizens have continued protest against the recent assault of freedom fighter Sheikh Mohammad Ali Aman by Jamaat-Shibir cadres at a programme of 'Jatiya Muktijoddha Parishad' in the capital.

Freedom fighters at a meeting at Jhowdanga in Satkhiura Sadar upazila yesterday demanded immediate arrest and punishment of those who assaulted freedom fighter Aman, reports our Satkhira Correspondent.

Jhowdanga unit command of Bangladesh Muktijoddha Sangsad arranged the meeting.

Demanding immediate ban on so-called Jativa Muktijoddha Parishad backed by Jamaat, they said the war criminals formed the organisation with fake freedom fighters only to divert the nation's demand for trial of the war criminals.

They demanded trial of the war criminals belonging to Jamaat-e-Islami who were involved in mur-

STAFF CORRESPONDENT, Khulna

voters today

Khulna Citizens's Forum (KCF) will hold a dialogue between the six mayoral candidates and a cross section of people at Khulna Press Club today.

The aim of holding such a dialogue is to know what the candidates would do for welfare of citizens if elected, said KCF chairman Foum Sheikh Abdul Kayyum.

Such dialogues will also be held at ward level, he said. The KCF chief said some 'identi-

fied criminals' filed nomination papers and become candidates in KCC polls.

The KCF chief said the forum members have already started monitoring campaign by candidates to see if they are violating electoral code of conduct.

Workshop on strawberry farming held at RU

RU CORRESPONDENT

Bangladesh Strawberry Association (BSA) and Botany Department of Rajshahi University yesterday jointly held a day-long workshop on strawberry cultivation in Bangladesh.

RU Acting Vice Chancellor Prof Dr Mamnunul Keramat inaugurated the workshop held at RU Senate Bhavon.

Speakers at the workshop said cultivation of strawberry, a value added crop, has proved successful in the country. If expanded, farmers can be greatly benefited from the fruit having great export potential, they said.

Prof Rafiul Islam and Prof Manjur Hossain discussed possibilities of expansion of cultivation of the crop.

Large potholes on Jessore-Satkhira highway at business centre Jhowdanga Haat in Satkhira district continue to be a nuisance for people.

BAU teacher invents easy device to detect bird flu

AMINUL ISLAM, Mymensingh

STAFF CORRESPONDENT, Khulna A scientist at Bangladesh Agricultural University (BAU) has Mayoral candidate Firoze Ahmed developed a cheap and easy device of Communist Party of Bangladesh for detection of avian influenza (CPB) admitted that he was named (bird flu). a charge-sheeted accused in Shibir

The inventor, Dr Md Alimul Islam, a professor of Microbiology and Hygiene Department of BAU The case is yet to be disposed of Veterinary Science Faculty, said the bird flu virus has been isolated and it is possible to go for production of its vaccine if they get patronisation

from the government. The low cost device will detect the virus within a few hours, Prof Alimul said, adding that 'per bird per course vaccine' imported from foreign countries costs Tk 100 while it will cost only Tk 30 to 40 if it is produced in the country.

He expressed hope that the new method of bird flu detection and consequent production of low cost vaccines will help to save the promising poultry sector as well as the people related with it.

He conducted his research at to receive the report. the laboratory of F n Pharmaceuticals in Jhenaidah for a year to develop the 'Molecular Detection Method' as BAU has no laboratory with adequate facilities for such research.

For detecting bird flu, the samples are tested at Savar in Dhaka and for confirmation of the infection, the samples are generally sent to National Institute of Animal Health in Thailand and Way Bridge

Dr Md Alimul Islam victims of poisonous food, he "Although 229 farms were added.

There are three types (types A, B and C) of influenza virus and avian influenza belongs to type A that has farms were culled on suspicion due 25 sub-type viruses under HA (Hem agglutinin) and NA (Neuraminidase) categories, said crore. Tk 10,000 crore was invested Dr Alimul.

He said 374 people were He collected dead crows from affected by H5N1 virus and 240 of them succumbed to their injuries but avian influenza virus was not from 1997 to 2008. H5N1 and H7N3 in England and it takes several days found in them. The crows might be are most deadly viruses, he said.

MPhil in Epidemiology and Biostatistics MPhil in Health Education and Health Promotion MPhil in Noncommunicable Diseases (NCD)

Two Years Courses

MPH in Epidemiology and Biostatistics MPH in Community Nutrition MPH in Noncommunicable Diseases (NCD)

BIHS offers some unique opportunities

Degrees to be given by the University of Dhaka which is widely recognized all over the world. The second Institute in Bangladesh to offer MPhil Courses in any Public Health discipline.

MPH Courses dedicated to individual disciplines in Public Health.

The Institute is linked to the BIHS Hospital-the highly advanced Apex Hospital of the Health Care Development Project (HCDP) established under Bangladesh-Netherlands joint cooperation.

Full-time, nonpracticing Faculties as well as rich multinational Guest Faculties coming from renowned Universities/Institutes in Norway, UK, Switzerland, Denmark, Netherlands, Nepal, India and Pakistan.

Availability of large number of primary to tertiary health care facilities of the Bangladesh Diabetic Somity, spread all over the country, which gives unparalleled opportunity of exposure to community level health problems (a vital requirement of effective public health education).

Intensive and research based programs having possibility of collaborative studies with advanced institutes of the world particularly with the University of Oslo.

Credit hours of both MPhil and MPH programs compatible with European Universities.

Courses open to medical as well as nonmedical graduates.

Scholarship/Stipends available to provide partial support to the students.

Admission requirements

MBBS or its equivalent recognized by the BMDC plus one year in-service training is the usual requirement for the MPhil courses. However, the courses are also open to non-medical professionals with at least 4 years of University education and 2nd class (or equivalent GPA grades) from any recognized University. In case of nonmedical candidates academic qualification in relevant subjects will have a preference. Age limit on the last date of application: 45 years.

Interested candidates are requested to submit their Application and CV together with certified copies of all relevant documents and a recent passport size photograph. The course sought should be clearly marked on the envelop and sent to the above address. Application through e-mail will be accepted. The last date for submission of application is 31st July 2008.

For further details please contact the Director, BIHS at the address of the Institute.
