JOB OPPORTUNITY

Bangladesh Foreign Trade Institute is looking for a young and self-motivated person to fill up an entry level position of a **Research Associate**. He/she will be required to provide research support to more senior analysts on trade and other issues, which will entail extensive data collection, collation and both qualitative and quantitative analysis. He/she will be required to assist the senior staff in delivering training and other programs, and in establishing, maintaining and strengthening relationship with the stakeholders in the public and private sectors.

Bangladesh Foreign Trade Institute is a recently established autonomous public-private partnership institution with a mission to develop into a leading centre for training and research on trade, economics and related subjects. It is currently funded by the European Commission under Bangladesh Trade Support Programme. The Institute will engage in major expansion in the near future to build up a top-quality training and research workforce. It provides adequate training to its staff, both at home and abroad, to quickly enhance their capacity to meet the challenging job requirements.

An interested candidate must be a graduate of Economics/Trade/Finance/International Relations/Statistics or a cognate discipline from a highly reputed university with top-class performance in all public examinations. He/she must be fluent in both spoken and written English and Bangla and should possess standard computer skills. Some experience in trade or economics related research would be an advantage.

Salary: Taka 23,000 - 35,000 per month according to qualifications and experience.

If you fit these requirements and want to take up a challenging career, you may apply in confidence to the address below with your complete curriculum vitae, supporting documents and contact information by 10th August 2008. Only short-listed candidates will be contacted.
