postgraduate admissions Fall 2008

MA IN ENGLISH

WITH CONCENTRATIONS IN
**LITERATURE, ELT & APPLIED
 LINGUISTICS**

Eligibility: Applicants should have a BA in English. Students from other disciplines may also apply but might require additional courses.

The **Literature** stream brings you up to date with feminist, post-colonial and post-modern approaches to literature.

The **ELT & Applied Linguistics** concentration prepares you for a career in language teaching through a solid grounding in linguistics and practical classroom training.

The **MA** program's structure encourages you to take advantage of the Department's commitment to sustained discussion and interaction across academic specializations. It also gives you a foundation for post-graduate study overseas.

MS IN APPLIED ECONOMICS

WITH CONCENTRATIONS IN
**PUBLIC POLICY, FINANCIAL ECONOMICS,
 ECONOMETRICS**

Eligibility: At least an undergraduate degree in economics (or in any quantitative discipline with a background in economics) from a recognized university with no third division (CGPA below 2.5) at any level of education.

The program, with an internationally comparable curriculum, provides suitable preparation for careers in reputed national and international bodies. It also acts as a foundation for post-graduate study overseas.
