Request for Expressions of Interest (EOI)

For Selection of Individual Consultant

EOI No: 01/2008-2009

Memo No: LGED/PD/UG/II/A-3(part-I)/2003/1033

Date: 23-07-08

The Government of the People's Republic of Bangladesh has received a loan from the Asian Development Bank (ADB) towards the cost of the Urban Governance and Infrastructure Improvement (Sector) Project (ADB Loan No. 1947-BAN-SF) and intends to apply a portion of this loan to eligible payments under the contract for the following individual consultant:

A. Monitoring and Evaluation (ME) Consultants

Sl. No.	Name of position	Number of position	Person month	Educational qualification (minimum)	Total work experience	Relevant work experience
1.	Institutional Development Expert/Team Leader	1	24	BSc in Engineering (Civil/ Environmental)/Bachelor in Urban & Regional Planning/Masters in Social Science/Statistics/ Public Administration	Minimum 20 years	Minimum 10 years with at least 5 years in the field of Project Benefit Monitoring and Evaluation (PBME) in any Urban Development Project.

The Urban Governance and Infrastructure Improvement Project now invites eligible applicant to indicate their interest in providing services. Interested consultants are invited to provide information indicating that they are qualified to perform the services (application along with CV, recent passport size photograph, educational certificates, description of similar assignments, specific experience, experience in similar operating conditions, availability of appropriate professional qualification and experience).

The job responsibilities of the Monitoring and Evaluation (ME) Consultants include establishing Monitoring and Evaluation Mechanism and to Monitor and Evaluate the progress of the activities in the Pourashavas under the project in important stages of implementation.

The consultant must be capable of independently preparing reports and other outputs for submission to the Project Authority. The duration of the assignments, depending on satisfactory performance, are indicated above.

Interested consultant may obtain additional background information. Required qualification and terms of reference (TOR) for the above listed position along with a sample of the prescribed ADB bio-data format are available, free of charge, in the office of the undersigned.

Expressions of Interest shall be submitted in sealed envelope, delivered to the address of the undersigned shown above on or before 21 (twenty-one) August, 2008 during office hours, and be clearly marked "Expressions of Interest for the position Institutional Development Expert/Team Leader."

Persons who are already in employment shall send application through proper channel. Otherwise they shall not be considered for short-listing. Only the short-listed candidates will be invited for interview.

Request for Expressions of Interest (REOI)

Consulting Services

Bangladesh: Public Procurement Reform Project II

Credit # 4350-BD, Project ID # P098146

Contract # S2: Electronic Government Procurement (e-GP) System Development and Implementation

Consultant

EOI Ref No: IMED/CPTU/PPRP-II/EGP-Firm(Inter)/031/2008/388 Date: July 22, 2008

The People's Republic of Bangladesh has received financing in the amount of about US\$ 24 million equivalent from the International Development Association (IDA) toward the cost of the Public Procurement Reform Project II (PPRP-II) to be implemented by Central Procurement Technical Unit (CPTU) of Implementation Monitoring and Evaluation Division (IMED) under Ministry of Planning, Government of Bangladesh (GoB), and it intends to apply part of the proceeds to payments for the services described below.

The objective of this assignment is to have an e-GP system of GoB through which all public procurement life cycle processes and information in Bangladesh will be delivered via a comprehensive integrated platform, known as 'Bangladesh e-GP', to be placed at CPTU. While there are many options for implementing e-GP, the GoB seeks an e-GP system custom-built and established under government ownership. The Bangladesh e-GP Portal serves as a primary interface that connects government (buyers) and national/international business (contractors/suppliers) to the e-GP services and also provides comprehensive management information and reporting system as prescribed in the Public Procurement Rules-2008 (PPR-2008). To start with, the system will be piloted in four target agencies -- Roads and Highways Department (RHD), Local Government Engineering Department (LGED), Rural Electrification Board (REB), and Bangladesh Water Development Board (BWDB).

The Bangladesh e-GP system features multiple service delivery channels (web, mobile, etc.) to accommodate various end user realities. The consultant shall perform, but not limited to, the following principal tasks:

- Design, develop, test, pilot, and implement the e-GP system facilitating e-Tendering (e-submission), workflow management, MIS and e-Contract Management Software (e-CMS) by extending and integrating the existing MIS and website of CPTU in the first phase with substantial input from the local developer of the CPTU's MIS (nominated sub-consultant), and will have features to export data from CMS of target agencies and e-Catalog systems functionalities in the second phase.
- Design and interoperability framework to integrate existing applications of different target agencies and future integration of the e-GP system with other management, financial and contract management applications.
- Support process reengineering in target agencies for the implementation of e-GP.
- Support in managing the e-GP Portal System during pilot implementation in the target agencies.
- Support the CPTU and target agencies in implementation of e-GP system procurement process facilitating e-submission, e-opening, e-Contract Management and reporting including the management of an appropriate security system.
- Prepare system, user and training documents to introduce and demonstrate the e-GP process facilitating e-submissions and e-opening of bids for CPTU, target agencies and contractors including an online training module for government agencies and suppliers.
- Provide training to the concerned procurement administrators, other technical personnel in CPTU and four target agencies on e-GP Portal application, operation and its risk and security measures.
- Supply, install required hardware, software and other accessories for e-GP data centre.
- e-GP system should support English and Bangla languages.
- Provide post-delivery support services.
- The selected proposal will be efficiently scalable across the government.

All development is to be in terms of open architecture, international standards, and best practices.

CPTU now invites expressions of interest (EOIs) from eligible international software service provider firms or system integrator firms to take up this assignment in association with the nominated sub-consultant (a local firm). Interested consultants must provide information indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc.). The EOIs would be reviewed on the basis of the following to prepare a short list:

- Registration of the firm.
- Availability of appropriate skills among staff.
- Demonstrated capacity to handle such assignment.
- Experience in similar tasks (e-GP development, implementation, support and compliance including implemented modules of e-GP, standards, architecture and technology platforms used).
- A list of reference sites with contact details.

Firms may associate to enhance their qualification, but should mention whether the association is in the form of a "joint-venture" or of "sub-consultancy". All members of such an association should have real and well-defined inputs to the assignment, and it is preferable to limit the total number of firms in the association to three.

The shortlisted firms will be invited to submit proposals. The selected firm will work with the nominated sub-consultant in designing, testing, skill transfer of e-GP and pilot implementation in CPTU and four target agencies at headquarter level and a few procurement entities at regional and district level. The implementation will be reviewed by a team of CPTU appointed e-GP experts.

Consultant firms will be selected in accordance with the procedures set out in the World Bank Guidelines: Selection and Employment of Consultants by World Bank Borrowers, May 2004 (revised October, 2006).

Interested firms should obtain further information from the office of the undersigned from 0900 to 1600 hours (except holidays).

Expressions of interest must be delivered by August 20, 2008 either: (i) electronically to: egp@cptu.gov.bd or info@cptu.gov.bd or (ii) hand delivered/by post to the address below.

Please mark clearly on the envelope "Expression of Interest for Bangladesh e-GP System".
