Career Opportunity in Research & Evaluation

BRAC has initiated a comprehensive Maternal, Neonatal and Child Health (MNCH) programme in both urban and rural areas. To meet the challenges of MNCH Program, BRAC invites applications for its Research and Evaluation Division (RED) from dynamic, competent and self-motivated individuals for the following positions:

Senior Research Associate

This is a mid-level position. S/he will work with MNCH research team to carry out economic evaluation independently under minimum guidance.

Required Qualifications:

- Masters in Economics/Health Economics from any recognized University preferred from any foreign institution with strong statistical background.
- Must have at least 2nd class/division in all examinations.
- Should have strong proficiency in written and spoken english.

Experience: At least three years working experience with large data set preferably related to health research. Publications in peer reviewed journal will be considered as an added advantage.

Age: Maximum 35 years.

Salary: Negotiable.

Job Location: Head Office, Dhaka with frequent field visit.

Research Associate - II

Medical graduates/medical anthropologists with an interest in reproductive health/maternal and child health research. S/he should be self-motivated, with an inquisitive mind and ready to work in a multi-disciplinary environment.

Required Qualifications:

- Master's in Anthropology with dissertation in medical anthropology or MBBS from any recognised medical college, preferably with MPH.
- Must be familiar with relevant research methodologies.
- Should have adequate knowledge in using data analysis software.
- Should have strong proficiency in written and spoken english.

Experience: At least two years working experience in the field of Reproductive Health/Maternal and Child Health. Publications in peer reviewed journal will be considered as an added advantage.

Age: Maximum 33 years.

Salary: Negotiable.

Job Location: Head Office, Dhaka with frequent field visit.

Research Associate - I

S/he will work closely with the Senior Research Associate with an interest in, but not limited to, maternal, neonatal and child health research.

Required Qualifications:

- Masters in Economics from any recognized university.
- Must have at least 2nd class/division in all examinations.
- Must be familiar with relevant research methodologies.
- Should have adequate knowledge in using data analysis software.
- Should have strong proficiency in written and spoken english.

Age: Maximum 30 years.

Salary: Negotiable.

Job Location: Head Office, Dhaka with frequent field visit.

If you feel you are the right person for any of the above positions please apply with detailed resume with at least two references along with a photocopy of S.S.C Certificate, telephone number, two recent passport size colour photographs and a letter of motivation to **RS&P Section, BRAC-HRD, BRAC Centre, 75 Mohakhali, Dhaka-1212 by September 13, 2008.** Please mention the name of the position and **AD#52/08** on top of the application and the envelope. You can also send your resume to **recruitment@brac.net**. Only short listed candidates will be communicated.

To know more about RED please visit <http://www.brac.net/research>

Applications from women and people from ethnic minorities and of different abilities are encouraged
