Pourashava having no Piped Water Supply System.

DPHE Bhaban (3rd Floor), 14, Shaheed Captain Mansur Ali Sarani, Kakrail, Dhaka.

Memo No. 24/PD/GWMP/DPHE

Dated: 03-09-2008

Re-Invitation of Expression of Interest for "Mathematical Modelling for Safe Drinking Water Source Identification"

- Government of the People's Republic of Bangladesh has allocated funds for Groundwater Management and TPP for Survey, Investigation and Feasibility Study in Upazila and Growth Center Level Pourashava having no Piped Water Supply System (GOB). It intends to apply part of the fund for study on water supply and sanitation master plan comprising detail survey, investigations, hydraulic & engineering design and feasibility study for those pourashavas. The study has two components. The first component concerns "Mathematical Modeling for Safe Drinking Water Source Identification" and the second component concerns "Socio-economic study, EIA and Detail Engineering Survey & Investigation and Engineering Design." Two consultant groups will execute the study, one for each component. All payment for these services will be made in Bangladeshi currency.
- Department of Public Health Engineering (hereinafter referred to as the "Employer") now invites Expression of Interest (EOI) from local consulting firms for short-listing for the consulting services under component 1: "Mathematical Modelling for Safe Drinking Water Source Identification."
- Department of Public Health Engineering (DPHE) under the Ministry of LGED & Co-operatives, Local Government Division (LGD), Government of Bangladesh (GOB) will be the executing agency (EA) for the project.
- The consultant group for "Mathematical Modelling for Safe Drinking Water Source Identification" will assess the water resource potential, dependable water supply sources, drainage improvement requirements, as well as any adverse situation considering requirements for safe water availability by model study. The modelling group will also utilize various types of modelling tools for assessment of the project area situation, parameters required for developing various infrastructural interventions and the requirements for continuous monitoring of the water resources system in the project area, if found necessary. The modelling group will also develop database, carry out specialized topographic surveys and data collection including hydrometric, hydro-meteorological data, essentially required for developing models. They would explore in-depth all relevant physical parameters in the project area.
- The application for short-listing would need to be submitted in seven copies.
- National competitive bidding will be conducted and selection will be made in accordance with quality and cost-based selection (QCBS) procedure, following the procedure indicated in PPR 2008.
- The employer will conduct the short-listing of interested consulting firms for the above mentioned consultancy services. The EOI should specifically include:
 - Name of the firm/lead firm and associated firms, forming the joint ventures or associations, with address and particulars.
 - Background of the firm(s).
 - General and overall experience of the firm(s).
 - Names of the partners/directors of the firm(s) and their corporate profiles.
 - Actual audited financial reports of the firm(s) for the last three years.
 - Nature, size, employer, location and type of input for contracts in hand and the works carried out during the last 10 years stating the cost of the projects and fees received.
 - Summary of permanent professional employees with key qualifications.
 - Acceptable evidence of formation of the joint ventures/associations, if EOI is submitted jointly.
- National consulting firm are being invited to submit their EOI for short-listing. In case of Association, capability of all the firms included will be evaluated collectively.
- The EOI with supporting documents must be delivered in 7 (seven) sets by 12:00 on 25/09/2008 in sealed envelopes, marked with "EOI for the Mathematical Modelling for Safe Drinking Water Source Identification" and be delivered to below address. Late submissions will be rejected.
- Special instructions:
 - Partial offer will be rejected.
 - Eol submitted by Fax/E-mail will be rejected.
 - The authority reserves the right to accept or reject any or all of the Eol's or annul the Eol process at any stage without assigning any reason whatsoever and without incurring any liability to the affected applicant(s).
 - The employer will not be responsible for any cost or expenses incurred by the firm in connection with the preparation or delivery of the EOI.
- For any clarification and background information, intending entities may contact the following office:
