READ THE HOLY QURAN

Verily, in the creation of the heavens and the Earth and in the alternation of night and day, there are indeed signs for men of understanding. Those who remember Allah standing, sitting and lying down on their sides and think deeply about the creation of the heavens and the earth, (saying): Our Lord! You have not created this without purpose, Glory to you! Give us salvation from the torment of the fire. Our Lord! Verily, whom You admit to the fire indeed, You have disgraced him; and never will the wrong doers find any helpers. Our Lord! Verily, we have heard the call of one calling to faith: Believe in your Lord and we have believed. Our Lord! Forgive us our sins and expiate from us our evil deeds, and make us die along with AL-Abraar (the most righteous). Our Lord! Grant us what You Promised us through Your Messengers and disgrace us not on the Day of Resurrection, for You never break (Your) promise. (Sura AL-Imran, Ayat 190-194)
