

Congratulations to the Government and People of
the People's Republic of China on the Celebration
of 59th National Day Anniversary

Huawei Technologies is a leader in providing next generation telecommunications networks, and now serves 35 of the world's top 50 operators, along with over one billion users worldwide. The company is committed to providing innovative and customized products, services and solutions to create long-term value and growth potential for its customers.

Since 1998, Huawei has been devoting its global telecommunications experience to assisting Bangladeshi operators. By building modern fixed, mobile and broadband networks, the company will continue to contribute to the telecommunication development of Bangladesh.
