13.	LD Assistant (Temporary basis)	1	3000-5920/-
14.	Electrician (Temporary basis)	1	3000-5920/-

One each in the following research areas (i) Scanning Electron Microscope (ii) Drug Analysis (iii) Material Science (iv) Pilot Plant/Bioreactor

One each in the following research areas (i) Non-linear Optics & Laser Spectroscopy (ii) Environmental/Analytical Chemistry (iii) Molecular Biology/Genetic Engineering & Biotechnology (iv) FTIR/Raman Spectroscopy (v) Food Analysis

One each in the following research areas (i) Drug Analysis Research Lab (ii) Any Discipline Relevant to the Centre

One each in the following research areas (i) Environmental/Analytical Chemistry Research Lab (ii) Non-linear Optics/Laser Spectroscopy Research Lab (iii) Two Post for Research in any discipline relevant to the centre

1. Chief Scientist:
Academic Qualification and Experience
Must be a distinguished scientist with excellent academic record. Must have PhD in a Physical/Chemical/Biological/Pharmaceutical Sciences discipline. Must have 12 years of demonstrated research experience in a reputed University/Institute of Advanced Research/International Centre of Scientific Research. Must have published at least 15 original articles in reputed refereed journals, with at least 7 of them in reputed international journals.

2. Principal Scientist:
Academic Qualification and Experience
Must be a distinguished scientist with excellent academic record. Must have PhD in a relevant Physical/Chemical/Biological/Pharmaceutical Sciences discipline. Must have 10 years of demonstrated research experience in a reputed University/Institute of Advanced Research/International Centre of Scientific Research. Must have published at least 10 original articles in reputed refereed journals, with at least 05 of them in reputed international journals. Must have demonstrated experience and expertise in specific research areas specified in previous column. Must be relaxed for candidates with demonstrated experience and expertise in specific research areas specified in previous column. If otherwise found suitable, a Senior Scientist may be appointed against a specified Principal Scientist Post.

3. Principal Computer Scientist:
Academic Qualification and Experience
Must have PhD/Master's degree in Computer Science/Information Technology/Electrical and Electronic Engineering/Computer Engineering/Communication Engineering. Must have at least on one First class at the MSc/BSc (Hons) examinations. Must have no third division/class at any examination from SSC to MSc. Must have at least 7 (seven) years hands-on-job experience as a Programmer/System Analyst and/or University teaching and/or research. For candidates having PhD, the relevant job experience may be relaxed by 2 years. If otherwise found suitable, a Senior Computer Scientist may be appointed against the Post of Principal Computer Scientist.

4. Senior Scientist:
Academic Qualification and Experience
Must be a distinguished scientist with excellent academic record. Must have PhD in a relevant Physical/Chemical/Biological/Pharmaceutical Sciences discipline. Must have 3 years of demonstrated research experience in a reputed University/Institute of Advanced Research/International Centre of Scientific Research. Must have published at least 5 original articles in reputed refereed journals, with at least 3 of them in reputed international journals. Must have demonstrated experience and expertise in specific research areas specified in previous column. May be relaxed for candidates with demonstrated experience and expertise in specific research areas specified in previous column. If otherwise found suitable, a Post-doctoral Fellow or a Research Fellow may be appointed against a specified Post of Senior Scientist.

5. Senior Computer Scientist:
Academic Qualification and Experience
Must have PhD/Masters degree in Computer Science/Information Technology/Electrical and Electronic Engineering/Computer Engineering/Communication Engineering. Must have at least one First class at the MSc/BSc (Hons) examinations. Must have no third division/class at any examination from SSC to MSc. Must have at least 5 years hands-on job experience as a Programmer/System Analyst and/or University teaching research. For candidates having PhD, the relevant job experience may be relaxed by 2 years. If otherwise found suitable, a Post-doctoral Fellow or a Research Fellow may be appointed against the Post of Senior Computer Scientist.

6. Post-doctoral Fellow:
Academic Qualification and Experience
Must have PhD in a relevant Physical/Chemical/Biological/Pharmaceutical Sciences discipline. Must have at least one First class at the MSc/BSc (Hons) examinations. Must have no third division/class at any examination from SSC to MSc. Must have demonstrated experience in the relevant research area as specified in the previous column. If otherwise found suitable, a Research Fellow may be appointed against a specified Post-doctoral Fellow post.

7. Research Fellow:
Academic Qualification and Experience
Must have MSc degree in the relevant Physical/Chemical/Biological/Pharmaceutical Sciences discipline. Must have first division at both SSC and HSC and at least one First class at the MSc/BSc (Hons) examinations. No third division/class at any level of academic career. Candidates with research experience in the relevant research area as specified in the previous column will be given preference. Candidates when appointed would be expected to pursue research for a PhD degree at the University of Dhaka. Those who applied earlier (4-8-2008) need not apply again.

8. Engineer (BSc BE):
Academic Qualification and Experience
Must have BSc BE degree in Electrical & Electronic Engineering/Instrument Engineering/Chemical Engineering or MSc degree in Applied Physics & Electronics/ Applied Chemistry & Chemical Technology or equivalent as appropriate. No third division/class at any level of academic career. Diploma Engineer with 5 years of relevant experience may also be considered. Candidates with experience in operation/maintenance of Scanning Electron Microscope and/or Pilot Plant/Bioreactor may be given preference.

9. Store Officer:
Academic Qualification and Experience
Must have MCom/MBA degree in Accounting. No third division/class at any level career. Must be able to use computer for spread sheet/word processing applications. Candidates with experience in stores management may be given preference.

10. Administrative Officer:
Academic Qualification and Experience
Must have at least two first division/class through SSC to Masters) MA/MSc/MSS/MCom/MBA degree. No third division/class at any level of academic career. Must have a high level of communication skill in both English and Bangla and computer literacy with experience in MS Office. Candidates with experience in office management may be given preference.

11. Technical Assistant (Technician):
Academic Qualification and Experience
Must have BSc degree or Diploma in Electric/Electronic Engineering. No third division/class at any level of academic career. Must be able to use computer for accounting/database/word processing applications. Candidates with 1 year experience as a technician in an institution of learning and research may be given preference.

12. Supervisor:
Academic Qualification and Experience
Must have MBA/MSc/MSS degree. No third division/class at any level of academic career. Must be able to use computer for accounting/database/word processing applications. Candidates with 1 year experience of working in an institution of learning and research may be given preference.

13. LD Assistant:
Academic Qualification and Experience
Must have BA/BSS/BSc/BBA degree. No third division/class at any level of academic career. Must be able to use computer for word processing applications. Candidates with experience in office management may be given preference.

14. Electrician:
Academic Qualification and Experience
Must have passed SSC (vocational) 2 years course in "General Electrical Works" from any technical institution approved by the Bangladesh Technical Education Board. Or SSC passed plus 1 year course in "General Electrical Course with A-grade from any technical institution approved by the Bangladesh Technical Education Board. No third division/class at any level of academic career. Candidates must have 5 years working experience. Candidates with experience in electrical works having workmanship license Category B/C from Licensing Board of the Government be given preference. Educational qualification may be relaxed in case of highly experience candidates.

10 (ten) copies of application in prescribed form available for the post of scientist/officer Sl. 1-12 in the establishment section of the Registrar's Office with copies of certificates and testimonials alongwith a Crossed Bank Draft/Pay-Order of the value of Tk. 500 (five hundred) in the case of Sl. No. 1-3 Tk. 400 (four hundred) in the case of Sl. 4-12 and Tk. 200 (two hundred) in the case of Sl. 13-14 (one copy of application with the attested certificates and testimonials) payable to the Registrar should reach him on or before 26-10-2008.

Candidate already in service should apply through proper channel.
