

on the way back from eid holidays with my banglalink

as I leave loved ones behind on the way back to my busy work life, I am taking the fond memories of this eid in my heart. I know, no matter where I go, I will continue to share my emotions through banglalink network.

banglalink would like to thank you for your confidence!

through our relentless efforts and continuous investment we tried to ensure an enhanced network quality and coverage to provide a much better experience for you.

your overwhelming response during this eid has made all our efforts worthwhile.
