

Hotel manager shot

STAFF CORRESPONDENT

The manager of a residential hotel was shot and seriously injured as a gang of armed criminals sprayed bullets on him at the hotel at Rampura in the city yesterday.

The injured was identified as Shah Alam, 35, manager of Zhinuk residential hotel.

The police said a gang of criminals entered the hotel at around 2:30pm and started firing indiscriminately, injuring the manager.

The victim was rushed to a local hospital and later shifted to Dhaka Medical College Hospital as his condition deteriorated.

The police are yet to identify the reasons behind the incident, but suspect that the incident might have been linked to non-payment of toll demanded by the criminals.

JAGANNATH HALL
DU seeks govt allocation of Tk 27cr for new bldg

DU CORRESPONDENT

Dhaka University authorities have recently sent a proposal to the government for an allocation of Tk 27 crore to cover the total cost of an under-construction 10-storey building at Jagannath Hall.

Around 800 students who are staying in the vulnerable 'East Building' at the hall will be shifted to the new building.

The university has already started the construction of the building in July mobilising Tk 2 crore from the university's own funds. It is estimated that Tk 17 crore will be required to construct five floors of the building.

The proposal for allocation of

the money is now awaiting the final approval of the Executive Committee of National Economic Council (Eneec), Vice Chancellor Prof SMA Faiz said.

The DU authorities have also been constructing a temporary shelter at Mohsin Hall to shift students from 30 vulnerable rooms in a building there.

"We have started the construction of a temporary shelter at Mohsin Hall allocating Tk one crore from our own resources because the vulnerable portion of the main building needs repairing. On the other hand, since the vulnerable 'East Building' at Jagannath needs demolition, we have started the construction of a new building at the hall compound," the VC said.

He further said that the DU authorities would continue providing funds from the university's own resources so that the construction of the building is not disrupted because of any delay in getting funds from the government.
